January 27th, 1853,

ild boar than a sober respectable and do-

esticated Cauchon, [which being inter-

detrimental to the cause of morality. De- you not a little to observe that Mr. Caulights rather in the company of messengers chon and Mr. Brown, voted after all ami-

than in that of members; but de gustibus non disputandem, and this may be owing to the fact that members pay but little attention to him. A few days since as I was passing into the news room of the House, I saw our friend sitting in the messengers department, with some dozen or two lazy looking fellows round about him, and there in the midst of a perfect cloud of smoke, which issued from the tobacco pipes of the worthy audience, he seemed to be unravelling seme obstruse question of spelitical economy, or perchance, dealing out and the mas against the railroad spirit of the day.

As application baving been made to me for an opinion of the properties of the various forms of tobacco, I have undertaken to express the sange in the properties of the various forms of tobacco, I have undertaken to express the sange in the properties of the various forms of tobacco, I have undertaken to express the sange in the properties of the various forms of tobacco, I have undertaken to express the sange in the properties of the various forms of tobacco, I have undertaken to express the sange in the properties of the various forms of tobacco, I have undertaken to express the sange in the properties of the various forms of tobacco, I have undertaken to express the sange in the properties of the various forms of tobacco, I have undertaken to express the sange in the properties of the various forms of tobacco, I have undertaken to express the sange in the properties of the various forms of tobacco, I have undertaken to express the sange in the properties of the various forms of tobacco, I have undertaken to express the sange in the properties of the various forms of tobacco, I have undertaken to express the sange in the properties of the various forms of tobacco, I have undertaken to express the sange in the properties of the face of some use in preventing the further extention of its use.

Tobacco is well known to be a power-till vegetable poison. A few drops of some use in preventing the properties of some use in preventing to expre than in that of members; but de gustibus cally together.

which issued from the blonces pipes of the worthy addinces, he seemed to be superior of fragilities occomely, or perfective, design out at the control of th

them, it was proposed to restrict the amount of property to be held to £2500 tured to suggest that the day might not be userstity which existed for incorporating bodies for charitable purposes, was admitted on all hands, he hoped that the bill then introduced for its second reading would not meet with much opposition.

Brown, and Sir Allan MacNab even ventured to suggest that the day might not be a far ditant when Mr. Brown would occurply a prominent position in that House, perhaps the position of the present premier. You will recollect that in one of the speeches of this aspiring young man, he hinted at a combination with the Conservatives. Can this be the commencement? Can it be that Mr. Brown was to move this amendment to the bill, and that prove to the satisfaction of the House that Let every man look at the fact and judge

these institutions, had, whereever they had for himself. For my own part I am prebeen tolerated, tended to the injury of the country. The challenge—for it was interpreted as such—was accepted by Mr. Cau—

When we look at the effects which the chon, whose holy horror of voluntaryism, sweep of this foul conspiracy, this unprincior as he is pleased to designate it of social-ism, is well known to every reader of the have had upon the interests of reform, I Apply to newspaper press, and also appears as the feel that we can scarcely find language special champion of Gatholicism in the strong enough to condemn the conduct of House of Assembly. The convenient seather the man, who although professing to be son appeared to have arrived, and the ausstruggling for the maintenance of these inpicious moment was seized upon by the terests, could become a party to such an leader of the great Protestant Party, for attempt. Probably at this very moment his harrangue. Surrounded by a host of the intelligence is being watted accross the authorities, and breathing out a spirit of Atlantic of the passage in the Imperial SEALED TENDERS, addressed to the determined, uncompromising and eternal Parliament of an act giving to the Provinhostility against the religion of Pope Pius, cial Legislature the right to legislate, in and every thing thereto pertaining and pro-fessing to be annimated by the feelings and zeal of a Luther or a Calvin, our hero zeal of a Luther or a Calvin, our hero terests of the country, upon the Clergy commenced his address. Denunciation Reserve question. It is therefore most after denunciation was hurled at the head of unfortunate Catholicism, vituperation after followed vituperation, and if crying diction and vituperation, and if crying dictions and vituperation, and if crying dictions and vituperation and vituperation and vituperation. It is therefore most important that at the present menent, every means should be taken to keep those men in power, who will act on the matter in accordance with the well understood wishes diction, and violent gesticulation are any of proof of honesty of purpose, then is Geo.

Brown a very print of honesty. The inside or gandle with the well understood wishes to render which so considered best for the interests of the people. What are we to think of the considered best for the interests of the man, who professing to desire the settlement of this question, is nevertheless indicated by the considered best for the interests of Company.
