## The Capitol Beer vs. Budweiser

We beg to inform our many patrons that we are using a temporary label for our "Capitol" Beer as an injunction has been granted by the courts restraining us from using our original "Capitol" label pending our law suit with the Anheuser-Busch Brewing Association of St. Louis, Mo. The quality of "Capitol" however will be just the same, or better if we can make it so; and judging from the demand we are sure that our patrons know from experience that it IS THE BEER, and NOT THE LABEL, that has made "Capitol" SO WIDELY POPULAR.
