News by the Portia is to the effect that there are yet no vessels at Belleoram to date. At Rose Blanche the fishermen have been doing abnormalbut this year there is no diminution spected in St. John's. Mrs. Jardine

It is with sincere regret we record ly well with codfish, and it promises the death of Mrs. Jardine, wife of Mr. to be the best, winter fishery for Fred Jardine, who has been for sermany years. Heretofore this season eral years past resident at Bell Ishas always been the slackest period. land, but who is well known and re-

in the quantity of fish caught and was not long ago taken ill and came boats of three hands, using trawls or to St. John's for treatment, residing hook and line, take from 7 to 9 qtls. with her mother, Mrs. McCourt. The daily. The fish are of large size and best care and aftention was given her splendid quality. Bait, mostly herring, by loving friends, but the Angel of is brought in large quantities to the Death hovered near and yesterday the shore from Bonne Bay by the Portia end came. The deceased was fortifor the fishermen, and several schoon- | fied with the rites of Holy Church and ers are also in Connaigre Bay and had a very happy death. She leaves Placentia Bay collecting herring bait a husband, 4 children, mother, brothfor the fishermen and getting all that er and several sisters to mourn her.

The Telegram extends its sympathy.

Very Disorderly. Sunday forenoon officers Faraday and Stanford were called to a resi dence in the West End where a drunk, who usually gives the police much

trouble, was making things lively and might have smashed up the place had not the officers quickly arrived on the scene. On the way to the station the man violently resisted arrest. The incident, which is a rare one on Sun day, drew a crowd of people.

McMurdo's Store News.

TUESDAY, Dec. 26, 1911. If you find yourself with a slight headache or an attack of indigestion, procure a bottle of Bromo Phosphate.
