MINARD'S LINIMENT CURES

COLDS, Etc.

At the City Hall.

The Chairman, Messrs. Harris, Ayre, Bradshaw, Jackson, Mullaly, McGrath and Withers attended last night's meeting of the Civic Commission.

After the reading of the minutes of the previous meeting Mr. Mullaly called the attention of the Board to an omission in the records, which matter was rectified by the Chairman.

Mr. Mullaly also complained of delay in the furnishing of information for which he had asked some weeks ago. He had been informed that the officials were too busy to attend to his request, but in view of this fact the Secretary had recently been granted leave of absence for six weeks, during which he would be spending the citizens money—the bonus voted by the Board.

The Chairman considered that Mr. Mullaly was altogether out of order and that the remarks were not in keeping with the dignity of his position. He said that it was not the Board's business what the Secretary did with his money, and stated that he would not tolerate the introduction of a personal matter into business discussion.

Messrs. Harris and Bradshaw endorsed the decision of the Chairman. Mr. J. J. Mahoney, Acting Secretary, at the request of the Chairman, informed the Board that the information asked for would entail considerable research and could only be prepared in the required time, at the sacrifice of more important work in connection with the office and the city's book-keeping.

Mr. Bradshaw moved that all applications for information should be made at the regular meetings, and furnished at a subsequent meeting for the benefit of both the applicant and the Board. Mr. Harris supported the motion.

Mr. Mullaly thought that if this resolution were passed, applicants would have to be content with a stereotyped reply such as the following: "The matter is in course of preparation; I hope to have it for my honorable friend next meeting." He further added that the Board was evidently attempting to follow the form of procedure at the House of Assembly, of which such replies, as the above, are characteristic.

Mr. Jackson then moved that in future requests for information requiring preparation be made in writing to the Chairman, which would remove responsibility from the clerks and ensure better satisfaction to the applicant.

Mr. Ayre seconded the motion, which was carried.

A letter from the Colonial Secretary, stating that the Government had no objection to the publication of the estimated revenue and expenditure of the Board, was read. The statement referred to has already been published in the Telegram.

Inspector Rooney submitted a supplementary list of houses in the city without water and sewerage.

The Chairman recommended that the matter be taken up by the Sanitary Committee immediately so that work may begin as early as possible, and so help to relieve the labor depression.

In reply to a request of the Chairman, the Solicitor reported that as the Nickel Theatre is now operating for charity the management is not liable for the usual taxes. Mr. J. P. Kieley will be so informed.

Permission to repair and alter the building at the corner of New Gower and Adelaide streets, was granted to W. J. Ellis, such alterations to be subject to the approval of the Engineer.

The reports of the Engineer, Sanitary Supervisors and Road Inspectors were read and adopted.

The Chairman announced that on Monday afternoon next he was convening a meeting of the employers of labor to discuss the existing depression, and wished to extend an invitation to the members of the Board.

Before the passing of the pay rolls Mr. Mullaly drew attention to the uneven distribution of patronage, citing an instance that had come under his own observation. The suggestion will be favorably considered.

The meeting adjourned at 9.15 p.m.

Visited Technical School.

Hon. John Harvey, Messrs. J. S. Munn, R. G. Rendell, R. B. Job, W. E. Ladley, T. Cook, Capt. Saunders, Rev. H. Uphill, Mrs. Uphill and Miss Carter visited the St. John's Technical School at St. Mary's, Southside, last night and were cordially received by the Principal, Mr. Davis, Messrs. Kilt, Thomas and Churchill. Rev. H. Uphill, Hon. John Harvey and Captain Saunders addressed the students, laying particular emphasis on the importance of their work which called for "accuracy." Brief references were made to the war and to the good work being done by Newfoundland in the cause of the Empire.

On Friday, Feb. 26th, there will be a monster benefit concert given by Mr. Jack Rossley to buy bread for the poor. He will give the whole and entire proceeds to the poor and supply loaves of bread just as far as the money will go. The Rossleys always go one better every time, and this affair will not be behind, providing the public helps. The programme will have many splendid features and the prettiest show ever seen. Rossleys are not forbidden by the church dignitaries and therefore will run their performances as usual with the best pictures that are on the market. Good clean songs and sketches, and a well known fact Rossleys entertainments beat by the test.

This evening the whole show will be repeated and we strongly advise our readers to attend, if they were not present yesterday, as the show is well worth seeing. This is also the last chance to hear Mr. Cameron sing this season. He will be heard in one of his best songs to-night. Don't forget that by attending you help on the fund. Everyone is anxious to swell the Nickel fund and as the only way to do so is by attending, then it is no wonder that the attendance was large last evening in spite of the disagreeable state of the weather. The pictures were all of a high class and were faultlessly shown.

Nfld War Contingent Association.

In Session at Colonial Office.

At a meeting of the members of the Newfoundland War Contingent there were present:—

Lord Brassey, the Rt. Hon. Sir Wm. MacGregor, Col. Sir E. Ward, Sir T. Berridge, the Hon. E. R. Bowring, Rev. J. Bell, Rev. Father Bennett, Mr. E. Rogue, Mr. W. B. Boyd-Carpenter, Rev. C. V. Cogan, Dr. F. H. Crowley, Mr. D. Davidson, Captain C. H. Elgee, Mr. C. Freeman Murray, Mr. W. A. Goode, Mr. R. H. Goodsham, Colonel G. E. Holman, Mr. T. D. Holman, Mr. F. L. Marriott, Mr. W. Martin, Mr. E. R. Morris, Mr. C. H. Thomson, and Mr. E. R. Watson.

The following regretted their unavoidable absence:—

Lord Emmet, Sir T. H. Gratian, Edmond, Sir Henry MacCallum, Vice-Admiral Sir Alfred Paget, Sir Thomas Bowring, Professor Dunstan, Dr. E. Greene and Mr. C. A. Hanson.

The members were welcomed to the Colonial Office by Lord Islington who complimented Britain's Oldest Colony on the part she was playing in the present great national struggle.

In addition it was mentioned that Newfoundland had supplied the mother country with a fine contingent of naval reservists as well. Sir William detailed the work of recruiting and training at present going on here.

Sir Edward Ward, who was requested by Earl Kitchener to represent him in connection with the Comforts of the Overseas Dominions, intimated the great pleasure it gave him to be associated with the Newfoundland Contingent.

Lord Brassey said he always took a great interest in Newfoundland matters and was proud of the splendid physique and soldierly appearance of Newfoundland's sons.

Mr. Bowring expressed his gratitude for the kind references made towards the Newfoundland Contingent which, he said, was fortunate in having so many friends. He was also particularly struck with the smartness and efficiency of our volunteers.

Lord Islington thanked the members of the Committee for their attendance and exhorted their co-operation. At the close a vote of thanks was accorded Lord Islington for presiding at the meeting.

If Constipated or Bilious "Cascarets."

For Sick Headache, Sour Stomach, Sluggish Liver and Bowels—They work while you sleep.

Get a 10-cent box.

Take a Cascaret to-night to cleanse your Liver, Stomach and Bowels, and you will surely feel great by morning. Men and women who have headache, coated tongue, a bad cold, are bilious, nervous, upset, bothered with a sick, gassy, disordered stomach, or have backache and feel all worn out. Are you keeping your bowels clean with Cascarets—or merely forcing a passage every few days with salts, cathartic pills or castor oil?

Cascarets immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the bowels.

Remember, a Cascaret to-night will straighten you out by morning. A 10-cent box from your druggist means healthy bowel action; a clear head and cheerfulness for months. Don't forget the children.

K. of C. Lecture.

Before a large audience of Knights of Columbus and their friends, Mr. P. J. Summers, Grand Knight of Terra Nova Council, lectured at Columbus Hall last night. The subject of the discourse was "A Nation of Heroes" and in an interesting manner he dealt with Belgium and her heroes, making particular reference to the heroism of the Queen of that little martyred country. Her devotion to her subjects during the awful struggle at the outbreak of the great war will forever illumine the pages of history. The discourse throughout was most interesting and was delivered in eloquent language. At the close a vote of thanks, proposed by Mr. J. M. Kent, M.H.A., was accorded the lecturer by acclamation. Following the lecture the Belgian National Anthem was rendered by Mr. E. J. Devereaux who presided at the piano during the evening. Dr. V. P. Burke, M.A., Lecturer of the Council, who presided, announced that the next lecture of the series will be given on March 1st by Mr. W. R. Howley, K.C., Advocate of the Council, who will take as his subject "When the Kaiser came to Paris." The singing of the National Anthem brought the enjoyable evening to a close.

Eczema for Two Years Cured by Zam-Buk

Mrs. A. Warwick, Cooks-

ville, Ont., writes:—"For two years I was badly troubled with eczema on my leg. I used various salves and lotions, but could get no relief. The sores kept getting worse until finally I was obliged to give up my work. I was in despair when one day a friend advised me to try Zam-Buk. I did so, and I cannot tell you how pleased I was with the result. Zam-Buk quickly allayed the itching and smarting sensation, and finally healed the sores. My leg is now as well as ever."

Hundreds of others suffering from eczema have ended this disease by applying Zam-Buk, some even after suffering twenty-five years, and spending hundreds of dollars on medical treatment.

Zam-Buk is purely herbal. Unlike ordinary ointments it does not contain harsh minerals, poisonous coloring matter, or coarse animal fats which in a short time go rancid. As soon as Zam-Buk is applied to a wound or sore its herbal essences penetrate to the very root of the trouble, kill the disease, and relieve the pain.

Use Zam-Buk for cuts, burns, bruises, eczema, piles, pimples, chronic sores, chapped hands, frost bites, and all skin diseases and injuries. At all druggists and stores, or postpaid from Zam-Buk Co., Toronto, on receipt of price, 50c. box, 3 boxes \$1.25.

An informal meeting of the members of the Order of the S.U.F., now residing here, was held last night to consider the advisability of forming a lodge here. Harbor Grace had a branch of the Society of United Fishermen working here in the long ago, but it was allowed to die. It was called "Buckland" Lodge, and was No. 14. Of those present last night three were from the last named lodge, one from Belleoram lodge, one from Harbor Berton lodge, one from Pouch Cove lodge, two from St. John's lodge and one from Twillingate lodge. After some discussion a committee was appointed to finalize matters and to report at another meeting to be held in March.
