AFTER A FIRE
The first question asked, HOW MUCH INSURANCE? NONE. Poor beggar, ruined for life. You have heard it. It is no use looking for sympathy for it is only found in the Dictionary. Are you content to take the risk of losing your life's savings for the sake of a small sum of money payable yearly? Average one dollar a month for \$1,000.00. Is it worth it? We represent THE CONTINENTAL INSURANCE CO. of New York. Assets \$40,857,877.57. A particularly strong Fire Company. Other companies talk Service—we GIVE Service. For full particulars consult immediately
FRED. J. ROIL & CO., Agents,
Scallwood Bldg. Duckworth Street.

What if Your Home Burned To-Night?
Would to-morrow and the years to come be clouded with remorse by the loss of treasures that nothing can replace?
Photographs, heirlooms, gifts, personal letters and mementos—could you state their value to you in dollars and cents?
If fire suddenly came to-night, where would you find your silverware, jewels, rare collections, your inventory of household goods, and such private papers as you keep at home?
How about the days, weeks or months that your house is shut up and empty while you are out of town? Suppose fire should visit it then?
Keep your valuables in the SAFE-CABINET, installed in your own home, where it will be instantly accessible and convenient to use.
THE SAFE-CABINET FOR YOUR HOME.
There are sizes of the Safe-Cabinet specially suited for home use. The Safe-Cabinet can be fitted with plain or lock drawers and shelves. Call or write for particulars.

MINARD'S LINIMENT FOR GARGET IN COWS.

Crime & Criminals
The Jurisprudence of Crime—Medical, Biological, Psychological, Practical, by Charles Mercier, M.D., F.R.C.S.
The most sensible book yet written on this subject. An outspoken, fearless work which seems to clear away much of the "hot air" that has obscured so long the plain truth about "Crimers and Criminals."
Dr. Mercier stands as the exponent of common sense and recognized science applied to the study of Criminology.
By special arrangement with the publisher we are enabled to offer the 10th edition for only \$1.75, by mail \$1.80.

"POSSESSED."
An interesting realistic novel, being the story of Penelope Wells, her waywardness, suffering and regeneration in which is presented the truth about women that nobody tells.
American married life is laid bare in this powerful and absorbing novel. The story presents a keen analysis of the development of a woman's soul, and shows how Penelope's self-analysis saved her from perverted desires.
The author, "Cleveland, Mofatt", commands the entire attention of the reader from the first to the last page. Our special price \$1.50 postpaid, on receipt of price.
