Are you hungry for candy?

Do you ever get that craving for something sweet, something a little different from ordinary food?

And it never occurs to you what you want until it is talked to your attention.

You see a window full of

SCHRAFF'S CHOCOLATES

And you say, "I'll take a box home to the family." But on the way you take off the wrapping and look inside. And when you get home you decide not to say anything about the candy you bought, for it is all gone.

Next time you will buy two boxes and let the family in on it too.
