Mr. Miller has been leader of the Men's Bible Class at Luton, a great worker in the Sunday school and church, and took a very active part in the organization of the U.F. O., as well as serving on the township council board for the last year. More than seventy members of the Bible class and other friends surprised Mr. and Mrs. Miller at their home and during a most enjoyable social evening an address expressing the regret of the neighborhood at their departure and wishing them success on their new farm, was read by Mr. J. M. Hale and on behalf of the class and friends Mr. Miller was presented with a club bag and Mrs. Miller with a cut glass water set. Mr. and Mrs. Miller suitably replied. Mr. Earl Richardson was elected chairman of a short programme in which addresses were given by Mr. M. McKnight, Mr. Harry Westover and others. During the evening Mr. and Mrs. Ed. Harris, of Calton, who have purchased Mr. Miller's farm were given an address of welcome to the neighborhood. Of course lunch was served.

To Mr. and Mrs. Miller:  
 Dear Friends—  
 We have met together here on the eve of your departure from the neighborhood to become residents of another district. We feel as though by reason of your past activities as a citizen of this community, as a member of our Bible class, our farmers club and other organizations in which you have always taken a prominent part that it would not do to part from you unless we expressed to you in some tangible manner our feelings towards you and your worthy wife on this occasion. It will be gratifying to you no doubt to know that both of you will always have a warm place in the hearts of the people of this, your birthplace and will be followed to your new home with one earnest desire on our part for your future success and happiness. Please accept from us these tokens of remembrance, not for their intrinsic value alone but as a slight expression of our appreciation of your many good qualities as friends and neighbors while you have resided amongst us. And we trust and pray that a divine Providence will follow you and yours into your new home and give you the same kind reception which you will always receive from those friends whom you are now leaving.

Signed on behalf of the Luton Bible Class and other friends,  
 E. A. Richards, Supt.  
 M. McKnight, Pres.
