St. Johns, Nfld., July 28.-The schooner Effie has arrived here from the Grand Banks, bringing 21 French-men, belonging to the schoner Anne Marie, of St. Pierre, which was run down by the schooner Pacifique on Thursday last, and sank within one hour. The Pacifique held on to her course, heedless of the cries for help of those on the sinking vessel. The Anne Marie's crew, however, took to

their boats and were saved.
Yesterday afternoon the Lunenberg schooner Bomus brought in fifteen other Frenchmen, the crew of the schooner Elted, which vessel foundered on the banks yesterday. No lives were lost. There are 77 shipwrecked bank fishermen at this port now.
