

Headaches, Dizzy

Spells and faintness have been my afflictions for 22 years. Often I would fall in a sudden faint and several times narrowly escaped being burnt on the stove. No medicine gave me more than a few days relief, and I longed when a friend urged me to try Hood's Sarsaparilla. But I took it and in six months I was free from all headache trouble, faintness or dizziness. I am now perfectly well. I cannot say too much in praise of Hood's Sarsaparilla. It is worth its weight in gold to me. MRS. R. H. HANES, Paris, Ont.

By the burning of the Chicago Baseball Association's grand stand and bleachers on Wednesday, the association loses \$7,000 and the contractors about \$2,000.

ATHLETICS.
DINNIE AND SUTHERLAND.
A wrestling contest between Donald Dinnie and Sutherland recently was, says a New Zealand paper, a splendid exhibition and well worth witnessing. Both men hold unbeaten records in their particular styles. The difference in weight and strength to the credit of Dinnie was neutralized by Sutherland's youth and wonderful agility. The first and third falls in Cumberland style were won easily by Dinnie, the second fall in Glasgow-Roman style, after a struggle of eight minutes, went to Sutherland, and the fourth fall, in the same style, which lasted six minutes, was secured by Dinnie, winning him the match. Up to the present Dinnie has won 5,921 contests against all comers at all kinds of athletic sports. It is stated that there is no record of any athlete living who has won half the contests won by Donald Dinnie, who is now close on 60 years of age.

THE TURF.
THE PORT HURON RACE.
PORT HURON, Mich., Aug. 31.—The unfinished 2:35 trot carried over, in which three of the horses had two heats each, and two of them a dead heat, was won by Rans McGregor (Bowling Green, Ohio). The 2:35 pace, with nine starters, was won by Billy C (Ohio) in three straight heats. The 2:40 pace was won by Palmetto in three straight heats. The talent nearly went broke on this race. The 2:25 trot had ten starters, with Johnnie Goldust, Woodstock, as favorite.

Johnnie won two heats and quit. It was thought that he was being pulled by Rans, his driver, and another driver was put up, but could do no better. The race was left unfinished after five heats, Lotitia (Bay City) having two heats.

The one-mile run was taken by Twilight. In the first heat Twilight was pulled up by the jockey in the home stretch, allowing Cleveland to win. The judges on that account declared all bets off and fined the jockey \$25. Twilight then took the next heat, and also the deciding heat.

THE TROTTER QUEEN.
Fantasy, the big daughter of Chimes and Homora, is generally regarded as the most promising candidate for the trotting crown that now decks the forelock and ears of Nancy Hanks, the heroine of a mile in 2:04.

Goldsmith Maid was 19 years old before she trotted in 2:14 in 1876. Dexter was 9 years old in 1867 when he made 2:17, and Maud S was 11 years of age when she covered the mile in 1885 in 2:03. Fantasy was only 3 years old when she duplicated Maud S's record at Nashville last October. This year she has gone her mile in 2:09, and will probably soon be moving down towards the 2:04 of Nancy Hanks. It is only for her owner to say so and the effort will be made to put the peerless mare over the track at her best possible speed. Her trainer believes that she will capture the trotting crown easily and may be the first to get under the wire in two minutes. Fantasy began last season in the 2:40 class. She won her first race at Rochester in 2:21, 2:21 and 2:13, continued her marvelous performances, closing the year with her present mark.

PACED A MILE IN 2:03.
FORT WAYNE, Ind., Aug. 31.—C. J. Hawn's phenomenal pacer made a new world's record here today, going a mile in 2:03.

TIPS.
In the Wynn case, brought in Brooklyn to test the constitutionality of the Sexton pool law, Justice Gaynor on Friday decided that the law is constitutional.

LACROSSE.
The Seaford Lacrosse Club defaulted the Brampton Excelsior on Friday. This leaves the former club in the finals to be played at Toronto.

THE WHEEL.
Many curious costumes have been adopted by the cycling ladies of Paris. There are suits of shepherd's plaid—and one in which the knickers were of 42nd Highland tartan, the vest of plain dark blue cloth, but the pants and vest alike are far more comme il faut. The young lady who wore the 42nd knickerbockers had a stiffly starched turn-down linen collar and narrow black satin cravat. She had black silk stockings and patent leather shoes.

The largest drygoods house in St. John, N. B., Manchester, Robertson & Allison, has notified its clerks that it has no further use for men who go bicycling on Sunday.

YACHTING.
NO RACE.
DARTMOUTH, Aug. 31.—The race between the Satanita and Vigilant was declared off because of insufficiency of wind.

LAWN TENNIS.
INTERNATIONAL CONTEST.
NIAGARA, Ont., Aug. 31.—At the Niagara international tennis tournament today Malcolm Chase, the intercollegiate champion, won the all-Canadians' match in the final from A. E. Foster, Yale. Chase beat Foster 2 sets to 0, 6-1 and 6-0, and then retired, giving Chase first prize.

The final game of the day was the match between Chase and Avery, of Detroit. Chase gave Avery a point on each game, and Avery won the set, 6-1.

In the second set Avery won 5 games and Chase had only 1. Chase then pulled himself together and won 3 games. Avery, however, captured the next two and the set, 6-2. Chase, however, after being 4 games behind all on the third set, pulled it out, 6-4. The last two sets were 6-3, 6-2, in Chase's favor.

The ladies' final was won by Miss Osborne, Canadian champion, after a close contest with Mrs. Whitehead, of Brantford, 6-4, 6-3, 6-4.

In the men's doubles, Chase and Foster beat Wilson (University of Pennsylvania), and Meadows, Buffalo, 6-3, 6-2.

In the final novice match for the Wilkes cup, McMaster, of Toronto, beat Whitehead, of Rochester, 7-5, 5-3, 6-2, 6-4.

In the handicap C. M. Pope, of Yale, beat E. R. Taylor.

E. A. Anderson, of Toronto, beat A. Coffey, of Buffalo, and G. Mackenzie, of Toronto; G. H. Meldrum, Toronto, beat Capt. Ferguson, Montreal, 6-4, 6-3.

In the mixed doubles R. Matthews and Miss Osborne, two Canadian champions, defeated E. S. Griffin and Miss Newman, 2 sets to 1.

MOTHERS
Always Obtain Grand Results From Lactated Food.

It Has Saved Thousands of Infant Lives.

"Ye shall know them by their works." The various brands of infant foods now before the mothers of Canada are best judged by their works—their results.

The vast majority of prepared foods are faulty in composition, and as a consequence their results are evil.

For years it has been noted that Lactated Food possessed important and necessary elements that other foods lacked. Lactated Food in its composition embraces every element that tends to the babe's growth and development. It is a preventive of summer complaints, and invariably keeps up strength and vitality.

When babies are teething, and when the infant's appetite is capricious, it is found that Lactated Food is taken with a relish. Lactated Food is within every mother's reach, and is so inexpensive that no mother ever had a real excuse for not using it. Lactated Food "saves babies' lives."
