Big Shipment to Fort William Looks As If Someone Were Unloading.

Winnipeg, Man., July 28. - The local wheat market was practically par-lyzed this morning owing to the price of July wheat, very small, if any, usiness being transacted in the early nours of the market. Members of the rade incline to the opinion that the horts may eventually win out. If the shorts were so badly squeezed as it was supposed, they had an opportunity to buy in their short stuff this morn-ing, when big lots of wheat were offered at \$1 33 and thereabouts, but not a buyer could be found, and only two lots changed hands, bought by brokers who are supposed to be connected with firms who have had a good deal to do with the busi ness of advancing prices.

A significant fact is the big ship ents of wheat which have been made to Fort William from some western point. Yesterday 108,000 bushels were shiped by the C. P. R. to Fort William. This grain does not figure in the inspection returns as passing Winni-

peg within the past few days, and it When you go away on your vacation--

Owing to the increasing number of local quarantines it is almost impos-sible to go twenty miles through Mississippi without a health certificate. The shotgun quarantine is again in evidence, and there is every indica-tion of a revival of the panicky feelng of seven or eight years ago.
