HIGH LICENSE RATES.

London, July 20.-Temperance reformers on both sides of the Atlantic and in the United States have discovered that high licenses make it necessary for the publican to push the sale of alcoholic liquor. SPRINGWOOD PARK

Facts and Figures Which Speak

PRICES VERY LOW

The excellent plan of sale by which undivided interests in Springwood Park (each interest representing a lot) are all being sold for the same price, enables the wise investor to procure one or more of the finest of home sites at the following significant figures:

30-foot	lots	from	125	to	175	feet	deep,	at	per	foot\$6.65
35-foot	lots	from	125	to	175	feet	deep,	at	per	foot\$5.70
40-foot	lots	from	125	to	175	feet	deep,	at	per	foot\$5.00
45-foot	lots	from	125	to	175	feet	deep,	at	per	foot\$4.45
55-foot	lots	from	125	to	175	feet	deep,	at	per	foot\$3.65

HIGH-CLASS LOCALITY

These prices would not be surprising if Springwood Park were located away from the car lines, twenty or thirty minutes from the centre of the city, but Springwood Park is just 300 yards from the terminus of the Wellington street south car line, surrounded by some of London's finest homes, and thus assured of permanence as a Real Home

District. Prices in this section are two, three and four times what we are asking. Could a more favorable opportunity

be offered to the people of London?

EXCELLENT VALUE

Every lot located in the beautiful grove and orchards, every lot fronting on the two main thoroughfares, and every corner lot is worth more than \$200.

On or before Oct. 15, 1910, the ownership of each of the 285 lots will be decided by the trustees. The subscribers will receive a clear title free from encumbrance to each of the lots apportioned to them.

Drop in and let us explain this more fully to you, or phone for one of our booklets, "Interesting Facts About Springwood Park Subdivision."
