# BALKAN STRUGGLE OPENS; MONTENEGRO STARTS WAR; HEAVY FIGHTING NOW ON

Little Nation of Mountaineers First to Clash With Turks-Charge d'Affairs at Capitals Are Given Their Walking Papers.

Cettinje, Montenegro, Oct. 8.--Montenegro declared war on Turkey this morning.

The declaration of war was delivered to the Porte by the Montenegrin charge d'affaires early today.

Heavy fighting is already in progress along the frontier.

Cettinje, Montenegro, Oct. 8 .- Nine battalions of Turkish troops which were proceeding from Scutari to Tusi, along the Montenegrin frontier, were

attacked late yesterday by a detachment of Malissori tribesmen. The fighting began just outside Tusi, and continued all night with vigor. The battle was still in progress this merning.

#### LONDON NOT SURPRISED.

London, Oct. 8 .- The outbreak of war in the Balkans caused no surprise in London, but the quarter in which it started was unexpected. Joint action by the allied Balkan nations and Greece was looked for instead of the initiative being taken by Montenegro, the weakest among them,

The official world here now awasts the announcement that Bulgaria, Servia, and Greece have also broken off diplomatic relations with Turkey. It is assumed that they have chosen today for launching the war so that

they may reply to the protest which Austria and Russia are serving upon them in behalf of the powers that it comes too late. Should a general state of war be declared today experts consider that no important engagements can be expected before Oct. 15, and, perhaps, another important engagements can be expected before Oct. 19, and, pernaps, another week from that date will be required for the Bulgarian and Turkish armies to come into contact in the region of Adrianople, where the first clash of arms on a large scale is considered most probable

REPORTED AT BELGRADE. Belgrade, Servia, Oct. 8.—Reports reached here today that Montenegrin

troops had crossed the Turkish frontier. The Servian Parliament today voted an extra credit of \$8,900,000 for military purposes, while the merchants of this city are making large donations to the funds being raised for the assistance of poor families whose breadwinners have been called upon for military service.
