America by Serving Mexico Away by End of Week, Is Report. First.

Just what disposition is to be made of the 153rd and the 110th Battalions still in London camp is giving the city still in London camp is giving the city Salesmanship Congress today by urging the 168th Battalion on Huron street on fathers and the military authorities here that businessmen carry justice and fair Saturday evening about 6 o'clock considerable worry. It is as much a mystery as ever to the headquarters staff officers. Announcements made from Ottawa

say that the 110th will go to Camp Borden as soon as the North Perth elec-tion, on today, is over. The 153rd, held here for quarantine, expects to be away within a week, and if the 110th goes with it, as does not seem at all unlikely, it will leave but the 111th and 160th

How these facts will tibe with the three battalions promised London by Sam Hughes is a conundrum. London's experience of Hughes' promises and assurances, however, is such that the general feeling is that there will be no such "animile" as a third unit here for

EATS PARIS GREEN AND NEARLY DIES

Stomach Pump Saves Life of Little John Street Boy.

The small son of W. G. Vincent, 165 cation for these suspicions in the way John street, had a narrow escape from death this morning when he ate some Paris green which he had picked up while playing in his parents' home. Dr. John Ferguson was called, and by the ing to serve Mexico herself. The way use of the stomach pump managed to to establish our sovereignty is to resave the child's life.
