14 SHIPS OF REFUGEES STILL STRANDED IN CHINA

Shanghai, Dec. 15.—The Russian refugee fleet of 14 ships, loaded with destitute remnants of the White Guard forces, which arrived here a few days ago, out of fuel and provisions, still is lying at anchor in the river, unable to proceed further and barred by the Chinese from landing its human freight.

In the meantime different local organizations have contributed funds for the relief of the more immediate needs of the homeless wanderers, who are hoping something will turn up so that they may continue their voyage to Hong Kong, Manila or some other warmer and more hospitable port.

Washington, Dec. 15.—A national memorial to President Roosevelt was discussed here on Thursday at a meeting of the Roosevelt Memorial Association, of which Elihu Root is chairman. Several forms of memorials were considered, but a decision was postponed to a later meeting to be called by Mr. Root.
