## ORDERS

We solicit out of town orders which receive our personal attention. The length of time taken to fill orders is governed very largely by how busy we are in the department of our factory in which the particular goods are made. While we have exceptional facilities for promptly turning out goods, it is important to place orders as far ahead as possible. Orders are filled by us in the notation in which they are received, and customers can always depend on getting everything in time to give prompt despatch.

### AND JOTTINGS

Only One League Game Played This Week, When Victorias Trimmed Mechanics 9-0

There was only one league game played at the ball field this week, the weather being responsible for a break in the schedule, while many of the sweet young fans are very busy being told they are "The Girl I Love". On Monday evening the Mechanics and Victorias brought off a schedule game, and the Vics trounced the weakened machine boys to the tune of 9-0. A new umpire, Mr. Jim Thomas, officiated, and had an easy journey. There was a small attendance when the game was called, and in the seats of honor in the stand, were seen one lone suffragette, and two male enthusiasts, one of whom was a hard-worked town official having an evening off. As the game progressed, the numbers increased many other enthusiasts watching the play from among the clover. Honors were over in the first two rounds, with no scores. In the third round the Vics scored three runs off three safe hits. Keith started the mill with a hit past Short. Dickie hit to Short and was safe at first, Keith drawing up on third. Youngs liner to right field brought in two runs. Young stole second, and scored on Roy's single hit. In the fourth inning the Vics doubled their score, the first six men up all coming over the plate with no one out. Both teams were without some of their regular players.

Struck out by Love 3, by McNutt 2. Bases on balls by McNutt 1. Left on bases, Vics. 4, Mech. 4. Umpire, Jim Thomas.

It is highly probable that the strong going Bathurst team will pay a visit here very shortly, and play a double header. This should be a good drawing card, as Bathurst are no weaklings and will give a battle to any ball team around this district.

The box of cigars for the first home run is still to be won, and the boys will need to hurry up or Mr. Smith will think we are all non-smokers up here.

The worthy president, Dr. Price is watching the score lists to see who has to be the fortunate possessor of the Gilette Safety Razor, which he will present to the player having the fewest strike outs against. Now boys keep your eye on the ball.

## GAPE REGATTA TO BE HELD AUGUST 6TH

Preparations Now Well Under Way and Arrangements Concluded for Big Day

This great annual regatta which draws hundreds of visitors from all over the Gape Peninsula, will be held at Gape on Thursday, August 6th. This regatta which has grown in popularity every year, is one of long looked for events of the summer season. Arrangements are already well forward for an interesting program of sports and aquatic events, and a larger number of entries has been received this year than for previous regattas. In connection with this the Quebec Oriental and Atlantic Western Railways will run special excursion trains at reduced rates. Owing to the great rush of visitors to Gape at this time it would be well for intending visitors to secure reservation at Gape. Full particulars regarding trains and fares can be had from the offices of the Railway at New Carlisle and from the official posters of the railroads.

Clergymen and fashionable women are conspicuous at the prize fights in London. We hope that the fashion will never be imported into Canada.

## SUDDEN DEATH OF

### CAMPBELLTON BANKER

E. B. Fairbanks, Manager of the Bank of Commerce Stricken Last Thursday

Last Thursday evening the community was shocked to hear of the sudden death of Mr. E. B. Fairbanks, manager of the Bank of Commerce here. The late gentleman, who was a keen fisher had driven up to Morrisey Rock in the afternoon, and in company with a young lad, entered a canoe, and started poing up the river. Mr. Fairbanks shortly afterwards complained of a pain and asked to be put ashore to rest. He lay down and after some time, when his companion went to investigate, was horrified to find Mr. Fairbanks in a critical condition and speechless. A hurried call was immediately phoned to town and Dr. Pinault responded, but before he arrived the unfortunate gentleman had passed away. Rev. T. F. D. Munn, the minister of St. Andrew's broke the sad news to Mrs. Fairbanks and family, and extended the sympathy of the congregation and the community in their hour of bereavement. The remains were conveyed on Saturday to Oxford, N. S., where interment took place on Sunday, a large number attending the funeral where the deceased was well known, he having married a Miss Oxley of that town. He leaves to mourn his loss his widow and four young children, three boys and a girl, to whom every sympathetic kindness is being shown. Mr. Fairbanks was transferred from Springhill, N. S., a little over a year ago to take charge of the local branch of the Bank of Commerce, and during his short stay, made many friends here, who esteemed him as a most valued friend and upright business man.

## NEW ORCHESTRA AT OPERA HOUSE MONDAY

The new orchestra recently organized by Prof. Spencer will be heard for the first time at the Opera House on Monday evening, 27th inst. Mr. Spencer who has now been here for some time, is taking great pains to bring this orchestra to a high state of perfection. His work at the Opera House has stamped him as a musician much above the ordinary, and his work as a teacher is bearing good fruit.

The many friends of George Wallace and B. O. Bates will be delighted when they see them in "The Girl I Love". Thursday and Friday, July 30th and 31st.

## THE GIRL I LOVE

WILL BE GOOD PLAY

Great Four Act Comedy Drama Will be Staged Here on Thursday and Friday Next.

Rehearsals are being held nightly in the curling rink for this great four act, under the personal direction of Mr. Theodore H. Bird. About forty five of Campbellton's best talent will be in the cast, and the play will be staged on Thursday and Friday, July 30th and 31st, for the benefit of the Ladies' Institute. The money so raised will form the nucleus of a fund the purpose of which will be the purchase of shade trees for planting in under the patronage of His Worship the Mayor, and the officers of the Women's Institute will assist in making the play the success it is sure to be.

The principals in the play will be Misses Jean MacLachy, Reba Hennessey, Lucy McInnis, Marjorie Murray, Messrs. Harry Ferguson, Cecil Mersereau, A. George Wallace, B. O. Bates, John G. MacColl and Theodore H. Bird. Three great spectacular specialties will be introduced during the acts taken part in by Misses Florence Nelson, Kathleen Dickie, Helen Davidson, Bertha Ferguson, Greta Mettler, Estelle McKinnis, Lou Gilker, Ruth Cameron, Isa Cameron, Irene Murray, Lena McLean, Freda Davison, George Appleton, Muriel Hennessey, and Feda Murray. Messrs. Wm. Ferguson, R. J. Levoie, Geo. F. Myles, H. S. Conrad, Earl Hennessey, F. W. Kelly, G. Holder, Ross Malcolm, H. L. Hamon, C. B. Farrer, A. R. Murray, L. Sullivan, E. J. Gallagher, Guy Lutes, and E. B. MacLachy.

Those who remember the success of "Jack's Wife" staged by Mr. Bird on the occasion of his last visit here, can come prepared for an even greater success and a better entertainment. Seats will be on sale at the Opera House Box Office on Wednesday morning, July 29th at 9.30 o'clock.

## COUNTY COURT HELD

### AT DALHOUSIE THIS WEEK

Only One Criminal Case on the Docket in Which the Grand Jury Find no Bill

Dalhousie, N. B., July 22.—Sittings of the County Court were held at Dalhousie this week. His Honor Judge MacLachy presiding. There was only one criminal case on the docket, that of the King vs. Wm. Simpson, on an alleged charge of fox stealing. In the grand jury found no bill. In the civil cases, that of Teed vs. Cameron Adams in a claim of wages amounting to about \$3.00, the jury found for the defendant. Other civil cases are now being heard before the Courts. The annual supper and sale of St. Mary's Church was held here this week, and was a most decided success. The total sum of over \$100 was collected as a result of the ladies efforts. In a recent issue amongst the Dalhousie notes, a news item regarding an entertainment by the Foresters was made to read Catholic order, and should have read the Independent Order of Foresters. An interesting birthday party was held here on the 13th inst. by Miss Eileen Chambers. Besides receiving many gifts from her friends here, Miss Chambers was remembered by many friends in the old country. Mr. and Mrs. Chambers arrived here recently from Portsmouth, England, and have taken up their residence in Dalhousie.

Some nations have problems, some achieve problems, and some have Hindu thrust upon them. They are now going to Halifax. That's where Vancouver wished them long ago.

Miss Hennessey as Ruth Manly and John G. MacColl as Si Kidders, in "The Girl I Love" will make you laugh 60 times a minute.

## NEW PIPE LINE TO CEMETERY HELD UP

The Cemetery Committee, who have been endeavoring to get a pipe line laid to the cemetery grounds, are much disappointed to learn that the owners of the pipe line west of the town, have refused to grant the privilege of making a connection. Lot holders generally, will hope that the committee can in some way carry out their original plans, as water is much needed in the efforts to beautify the grounds.

A Cincinnati Fireman who was retired because his neck was broken has rescued a boy and a man from drowning. What a fireman he must have been when he had his neck!

## BRIDGE INSPECTOR

HAS SERIOUS ACCIDENT

Eugene Savage, I.C.R. Bridge Inspector Badly Hurt, when Trolley Jumps Track

Mr. Eugene Savage, I. C. R. Bridge Inspector, met with a very serious accident, near Rogersville, on the North Shore, Tuesday afternoon, when a small gasoline trolley which he was driving jumped the track and hurled him across the right of way, inflicting painful injuries.

The I. C. R. authorities have received but very meagre information but from reports which have reached the press, it is learned that the official's injuries are not likely to prove fatal, although they are of a very painful nature. The story is to the effect that Mr. Savage who has charge of all the track carpenters and bridgemen on the division, and who does much of his travelling on a "speedy," was anxious to reach Rogersville ahead of a freight train which was following him. He therefore put the machine up to a high speed.

On a curve near Rogersville, the train grew too much for the light trolley which climbed the outside rail and took to the woods, throwing Mr. Savage off. He was picked up and carried to a farm house nearby and medical aid was summoned. So far as can be learned, there was no one else on the trolley at the time of the accident.

Borden clings to office. He waits the passing of hard times; but will they pass while he and the Big Interest rule at Ottawa.

Mr. Bird will appear as Tom Manly in "The Girl I Love". A part he played over two hundred times on the professional stage.

## S. S. ASSOCIATION

### FOURTH ANNUAL MEETING

Illustrated Lantern Lecture in Baptist Church on Wednesday Is Well Attended

On Wednesday evening, a most interesting meeting was held in the Baptist Church in the interests of the Sabbath School Association. Rev. J. H. Jenner presided and Rev. W. A. Ross, Field Secretary of the Association gave a splendid lecture, illustrated with lantern views of the great "World's Convention at Zurich, Switzerland", last year.

This was the last of a series of meetings which have been held throughout the counties of Bonaventure and Restigouche, previous to the annual convention which is taking place today at Jacquet River. A large number of delegates left to attend this convention and much interesting business will come up at the various sessions.

## GOVERNOR WOOD IS AT FREDERICTON

His Honor Lieutenant Governor Wood arrived in Fredericton Wednesday morning and is a guest at the Queen. He is here to confer with Acting Premier Clarke in regard to certain matters which are at present being much discussed by the people. Acting Premier Clarke has spent most of his time there since the legislature prorogued. While he is not very communicative in regard to his prolonged stay, it is understood that he is studying Flemming political methods and familiarizing himself with the details of the several departments. His duties are so arduous that last week he had to deprive himself of his usual week-end visit to his home.

The knowing ones say that as a result of Governor Wood's visit, there may very shortly be some announcements of a political nature. It is generally conceded in political circles that Premier Fleming is a dead one but there seems to be some hesitation in regard to calling in the undertaker.

One of the surprises in "The Girl I Love" will be Marjorie Murray as "Little Nellie". She will be worth the price of admission.

## RESTIGOUCHE LIBERALS

SHOULD ORGANIZE

Local and Dominion Elections May Be Held This Fall—Be Prepared

In view of the great developments which have taken place at the Dugal investigation in St. John, it is quite probable that a Provincial election will be held this fall.

In the last local election the Liberal candidates were defeated, and that defeat was put down to over confidence and lack of organization.

It behooves those in charge of the Liberal forces in Restigouche to get together and proceed with the organization of the different districts so that when announcement is made, the party will be ready to go into the fight to win.

We trust that this work will be undertaken at an early date.

Cecil Mersereau as Uncle Dave in "The Girl I Love", will be good for the "blues". Don't fail to see him. Opera House, July 30th and 31st.

## ELECTRICAL STORM

### NEAR FREDERICTON

Fredericton, July 22.—During a heavy electrical storm of last evening large barns owned by Edward Brown, of Scotch Lake, were struck by lightning and burned to the ground. The loss is estimated at about \$700, the barns containing several valuable pieces of farm machinery and two or three wagons.

The storm which passed over this city was one of the heaviest of the season. Over an inch of rain fell in three hours.
