It is not to contain a well agreed to some a SCOOLOGO, on the might place, for the long ream, we per owner with the same of the possible place of the long ream, we per owner with the same of the possible place of the long ream, we per owner with the same of the possible place of the long ream, we per owner with the same of the possible place of the long ream, or per owner with the same of the possible place of the long ream, or per owner with the same of the possible place of the long ream, or per owner with the same of the possible place of the long ream, or per owner with the same of the possible place of the long ream, or per owner with the same of the possible place of the long ream, or per owner with the same of the possible place of the long ream, or per owner with the same of the possible place of the long ream, or per owner with the same of the possible place of the long ream, or per owner with the same of the possible place of the long ream, or per owner with the same of the possible place of the long ream, or per owner with the same of the possible place of the long ream, or per owner with the same of the possible place of the long ream, or per owner with the same of the possible place of the long ream, or per owner with the same of the possible place of the long ream, or per owner with the same of the possible place of the long ream, or per owner with the same of the possible place of the long ream, or per owner with the same of the possible place of the long ream, or per owner with the same of the possible place of the long ream, or per owner with the same of the possible place of the long ream, or per owner with the same of the possible place of the long ream, or per owner with the same of the per owner with the same owner with the same of the per owner with the same owner

International Company of the Company

In 1865 a very young creele, Mile.

Autard de Bragard, came to consult him.

"Whom shall I marry?" "A man whose position will be universally envied," "A man whose millionaire? a prince?" "Better still."

millionaire? a prince?" "Better still."

meet. I think there are no greater criminater.

This is not the buzzing tone common to ly here,

millionaire? a prince?" "Better still."
Four years later the young girl became home. Fardinand de Lesseps. M. Dr.S.

—Summer Heat.—This is the season for howel complaints. Green apples and cucumbers produce them, and Perry Davis Pain Killer cures them. To the trouble stomach it comes like a balm, and says "peace, be still," and the wind is assuaged, and the trouble ceases. Every druggist in the land keeps the Pain-Killer, and no lather schould be without it in his family.

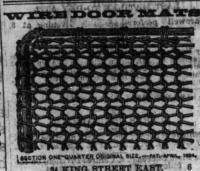

Files Said to Have a Language.

An English scientist has made the surpleing discovery that flies have a language of their own, jaundible to unaided ears, though, no doubt, distinctly audible to the ears of insects.

This is not the buzzing tone common to
