Flynn's steal. In the fourth Hamburg's single, Pettit's error and Haligan's and Whit-ney's sacrifices netted a run. In the seventh Collins' two-bagger was followed by a home run hit over the left field fance by Le-hane and in the eighth Flynn's double, Hali-gan's sacrifice and Serad's error scored the 7th and lastrun. The visitors began to get runs in the fourth, when Whitney was pounded. Burke led with a smash over the left fance for four bases, Hartnett and Rickley made two-bag-gers and Grim singled. Three runs followed and in the fifth Serad's two bagger, Burke's hit and steal and Pettit's surle netted two more, which was all they ware allowed. The

Mr. Avern Pardoz's resignation. The secre-tary read a communication from the Anti-Poverty Society endorsing the action taken in resigning the U. P. R. The question of the appointment of a representative on the Don improvement deputation this morning was discussed. Mr. Pardos stated that Mr. Schreiber, government realizes angingen. ings Committee, is away doing Europe and Trustee Hastings presented the report of the committee in his place. There were present Chairman Herbert Kent, Trustees Williams, Reden, Wilcook, John Schreiber, government railway engineer, would receive representatives from the C. P. R., G. T. R., City Council and Belt Line companies at 9 a.m., at which Sir Hector Langevin and Mayor Clarks would be present. Mr. Paudos further stated that he had been Kent, Henderson, Hastings, H ides, Vair, Dr. Ogden, Sen Kerr, McCra Mr. Pardos further state informed by Mr. Schreib Sir Hector's visit to the pose of considering the ment scheme. To was Inspector son. Alf nepector Hughes, Bu Bishop and Secretary socked sleek, fat and

Bishop and Secretary Wilkinson. Aff pocked sleek, fat and happy, baving widently enjoyed their holidays; and to judge from the quantity of talk indulged in their lungs and fighting qualities were the perfectly unimpaired. Trustee McMurrich said that he had notie-ed quite a number of trustees had taken an active part in the Mayor's reception and he would like to know if the chairman had sent out a sceneral invisation to all the trustees. The Chairman : I did not but the secretary all, I as the circular myself, and I person-in ally notified all I met to attend. Report No. 12 of the Finance Committee was calara up. A number of small accounts were mens scheme. It was to necessary, sontation was not necessary. The secretary reported having received total number of ten thousand signatures the Belt Line Railway petition, and was structed to continue the work of canvass until the appropriation was made. Frace measures will be taken at future meetings. How to increase the membership sociation, next occupied the mind meeting. The present membership all were desirons of seeing it beco-influential. At his own suggest secretary was instructed to inter-active members personally on this is question.

Report No. 12 of the Finance Committee was taken up. A number of small accounts were passed. A bot discussion took place on the clause that the teachers continuing in the ser-vice of the board be now paid one month's malary in consequence of their not having been notified of the chance in the by-laws of the board. Trustee McMurrich opposed the recommendation as being unconstitutional and against the spirit of the by-laws. The clause was finally smended to make it apply to old teachers only and not to all. The School Management Committee's re-port recommended that the resignation of these teachers be accepted : Miss E. S. S. M. erson, Sackville-street branch school ; Miss M. Brown, Clinton-street ; Miss F. Thomp-son, Bathurst.street ; Miss M. Gowans, Rose-avence ; Miss J. Ross, John-street ; and Miss M. F. Spence, Dufferin school. Leave of ab-sence was asked for Miss L. Devin, Phobe-street, and Miss M. Sinclair, Morse-street. Jots About The Grees. The examination for certificates of non-com-missioned officers in the Royal Grenadiers took place at the Armery last night. Twenty-seven candidates wore tested. The examina-tion was conducted before Major Mason, president of the examining board, and Cap-taine Howard and Manley. The results will not be known till next week. Some 15 re-truits were put through a proparatory qualifi-cation previous to being sworn in. The Grenadiers commence their annual fall drill in about two weeks time. The ambu-The Grenadiers commences their annual fa-drill in about two weeks time. The ambu lance corps commence next Thursday vening under instruction of Dr. Edmund E. King. Garcian Common. Hard and soft corns cannot withstand Hol-loway's Corn Cure: It is effectual every time. Get a bottle at once and be happy.

"Jake's" New Quarters. Jake's Virginia Restaurant has been re-opened at the commodions quarters in the Grand Opera House building. The entire Grand Opera Roose building. The entire place has been completely renovated and newly fitted up. It is lighted with handsome gas chandeliers and on every side are to be seen works of art and elaborate decorotions. "Jake" entertained a score of his friends last night at an oyster supper to christen the opening of his new place. If the fare he pro-vides for his patrons in the future is equal to that enjoyed by his friends last night there is no doubt his enterprise will meet the success it deserves.

and M. H. Black, Park-street; A. B. Gordon, Church-street. Appointments were refused by Miss J. E. Kelly, Miss E. G. Mitchell, Miss E. Parles and Miss C. F. Sutherland, W. J. Mills was recommended to be placed on the octasional teachers list. The entire report was adopted. The Sites and Buildings Committee recom-mended the renirms of certain school buildings at these figures: Seaton Village, three rooms, 205; Ketchum Hall, three rooms, \$20; Lans-downe Hall, two rooms, \$25; Argle-street Church, two rooms, \$15; Sackville-street Mission clurch, one room, \$15; Grant Building, Royce and Franklin-streets, \$15. That in future the caretakers in connection with the schools be designated "janitors." That Thomas McClure be appointed janitor of the Constipation Is a universal and most troublesome dig order. It causes Headache, Mental De pression, impairs the Sight and Hearing, destroys the Appetite, and, when long continued, causes Enlargement of the Liver, Inflammation of the Bewels, and
