THEY BOWLED FOR PRIZES.

PROSPECT PARK'S SUCCESSFUL TOURNAMENT.

Mr. George Biggar Captures the Singles and Messrs. Dalton and Williamson the Doubles—The Prizes Presented—Professional Baseball—Many Saturday Diamond Struggles—Hercules First Over the Hurdles—Cricket, Lacrosse and General.

Prospect Park's bowling tournament is completed and it was a great success. Many scientific trundlers of the polished ball have been located, whose career on the green hereafter will be watched with keen and critical eyes. Stuart Morrison's Victoria rink won the contest finished on Friday.

The unique competition in the doubles brought good results and a victory for the Granite pair, Messrs. Williamson and Dalton, heroes in many a curling contest of yore.

Col. George C. Biggar of the Victoria club, brother of W. H. Biggar, M.L.A., winner of the Niagara tournament last year, was the last to remain in the singles and takes the two pair of prize bowls. Mr. Biggar is a master of the art of lawn bowling and his victory was well deserved. He bowls with his left hand and his south-paw delivery during the contest was much admired by the large attendance of spectators.

The prizes offered during the tournament were eventually won by the different clubs as follows:

	Rinks.	Prizes.
Prospect Park	11	5
Victoria	5	4
Granite	4	3
Royal Canadian Yacht Club	2	1

At the close of the play the prizes were presented by President Forbes. Brief speeches were made by Messrs. Dalton, Morrison, Biggar and others, and the utmost satisfaction was expressed with the arrangement and management of the tournament.

Mr. William Forbes was the official referee and the Managing Committee was composed of Messrs. David Carlyle, Joseph, Lugsdin and the energetic secretary, Q. D. McCulloch. Col. Stevenson of Montreal and Mr. J. S. Russell of this city, both well known in connection with games of curling and bowling, were amongst the visitors and were delighted with what they saw. The success of the tournament will certainly encourage the Prospect Park Club to make it an annual affair. The lawn was in magnificent condition, and by a suitable testimonial at the close of the play the bowlers showed their appreciation of Major Bearley's skill in preparing such a good ground.

Saturday's scores were:

THE OLD INTERNATIONAL.

The Eastern Association Reported To Be In a Healthy Condition.

ALBANY, July 25.—The Eastern Association to-night voted to continue the Star team in Syracuse in charge of a syndicate of well-known baseball people, headed by George Freeman, a wealthy clothing manufacturer there. All the clubs were represented at the meeting, and every delegate reported his club in sound financial condition.

The action taken makes the league stronger than ever. The Star team returned to Syracuse to-night and will open at home with New Haven Monday and Tuesday. The players have checks representing the amount of their salaries in full to July 25. President White will be in Syracuse Monday to make the transfer to the new owners.

THE PARK NINE SLUG.

A Heavy Hitting Game at Stanley Park—Maple Leafs Beaten.

A crowd of 1000 people gathered at Stanley Park Saturday afternoon to witness the game between the Park Nine and Maple Leafs of the Senior Amateur League. Park Nine played an excellent game and their admirers are confident that they are as good as any team in Canada. The Maple Leafs were greatly strengthened by Downs of the Nationals and Maxwell and Fernley of the Standards. The feature of the game was the home run of Kanaen in the third inning, when the bases were full. Synge of the Park Nine also distinguished himself by a three-base hit. The battery work of the Park Nine was almost invincible, only four hits being made off McKeown, while Jones batting list has caught as good a game as has been seen in this city for some time. Mitchell, Jones and Powers played well for the Leafs.

East End Beavers Always Win.

In the Toronto Amateur League series the Beavers won their fourth straight from the Dauntless on Saturday in St. Michael's College grounds. The features were McGarry's great drive for a home run, a splendid catch by Stevenson and the fielding of Myers and Wilcox. Humphrey was hurt while sliding to second base and was replaced in the box by McGarry. Friend received a bad cut on the head while sliding for the plate. Whelan took his place in right field. A Game at Oakville.

The Methodist Book Room nine and a picked nine from members of the Nationals played a four inning game on Saturday at Oakville on the occasion of the annual picnic of the Book Room. The game had to be called to catch the boat, when the score stood 3 to 2 in favor of the Methodists, and as neither nines are satisfied with the result of the game it is altogether likely they will fight for honors next Saturday on Exhibition grounds at the close of National v. Standard Senior Amateur League game. Barber, who pitched for Methodist bookroom nine, is quite a pitcher, and with practice would show up well alongside most of the city twirlers. Baker is quite a coacher if it were not for the amount of hair on his head. The boys aver if he ever comes on a diamond in this shape again they will take up a collection and rush him to the first barber shop they meet.

Park Nine and Nationals.

As a result of the keen rivalry between the Park Nine and Nationals and recent victory of the latter the Parks will challenge Thompson's team for a match for a substantial stake at an early date, which is understood will be readily accepted.

The Harps are open for a challenge from any club in or outside of the city, 17 years of age. Address F. Myers, 133 Eastern-avenue.

A Point Well Taken.

Sporting Editor World: I notice that the mixed team of All-American footballists who sail for Scotland next month will wear maple leaves on their breasts, to which I, as well as several Canadian players, strongly object. I understand that of the aggregation to cross the water but four or five are Canadians and why these Yankees should wear our national emblem is a mystery to me. FULL BACK.

The Last Day at Detroit.

DETROIT, July 25.—This was the closing day of the summer meeting of the Detroit Driving Club. The weather and track were all right. The attendance was 6000. The driver of St. Elmo, the favorite in the third race, fell off his sulky in the first heat, just at the first turn and the horse ran the mile out. A rank decision of the judges in the third heat lost Diamond the race. Diamond had half a length to the good as he went under the wire, but the judges claimed to have seen Aline finish a head in front. Summaries:

Racing Rambles.

The winners at St. Paul Saturday were: The Pearl, Pat Conley, Rimini, Donatello and Little Annie.

Marcus Daly has bought Scioto Girl, who was in the 2.19 pace at Detroit Saturday. The price is supposed to be about $6000.

The steeplechase yesterday seemed to be an honest race. There was more fun and excitement over it than there has been over all the other races run at Jerome this year. If this branch of the sport is cultivated and jobbery is prevented there is a chance of the public accepting it with favor.—New York Herald.

The L.A.W. Championships.

The postponement of the second day's racing at Detroit on Saturday last on account of the rain left a number of the National championships of the League of American Wheelmen to be run off. A scramble immediately took place between the managers of the meets to be held in the fall to secure them. This has been amicably settled by awarding one to each meet, and they will be run as follows: Quarter-mile safety at Providence, the one-mile ordinary at Peoria, the one-mile tandem at Philadelphia and the half-mile safety at Hartford. This will result in bringing the fast men to all the meets.

THE CRICKET CONTEST.

Toronto Defeats Rosedale in a Somewhat Exciting Game.

The cricket match on the lacrosse grounds Saturday afternoon between the two crack city clubs, Toronto and Rosedale, attracted a good number of spectators. The grand stand was nicely occupied by enthusiasts who applauded liberally the many good plays, also others.

Toronto won the match by 12 runs and 3 wickets, making their second victory over Rosedale this season without a defeat.

Rosedale won the toss and of course went to bat. The crease was good. A big pile of runs were added for the third wicket when Howard and Lyon got together. This pair hit hard for their runs and appeared to have the bowling well in hand. Forrester and King also batted in good form. Their inning closed for 128 and Toronto had less than two hours to do it in. Two wickets were down for 10 runs, 90 were added before the next stump fell. Lang and Goldingham both batted well but the latter gave two chances late in his inning. It was a battle against time. Thirty runs were needed and half an hour to get them in. When your friend, the Duke got in with Bethune hits were long and frequent and before 6.30 o'clock Toronto was 12 runs past the margin and three more wickets to fail.

The fielding on both sides was poor. The score was:

Riverdale's Easy Victory.

The Intermediate Association cricket match between Riverdale and Rosedale Colts was played on the Riverdale grounds on Saturday and resulted in an easy victory for the home team. Toronto Colts at Hamilton.

A weak eleven of the Toronto Colts visited the Ambitious City Saturday and were beaten by the Hamilton Colts on the result of the first inning by 108 runs to 46. The home team won the toss and batted first. When they had 108 telegraphed for the loss of six wickets, Martin, Marshall and Ghent being the chief contributors, the inning was closed. Toronto wickets fell fast and the whole side was out for 46, forcing a follow-on. Wadsworth and Wood went in and hit hard, scoring 20 and 25 respectively. Alison got 10 and with the extras 64 runs were counted for three wickets, when time was up.

NO ONE RULED OFF.

Cornwall Again Defeats Ottawa Capitals—The Score Was 4 to 1.

MONTREAL, July 26.—The match between the Cornwalls and Capitals resulted in a victory for the former by four goals to one, but this by no means goes to show that the match was one-sided. The Capitals played a hard, stern game, and it was a case of hard luck that they did not score at least as many games as their opponents. W. Pollock of Cornwall was referee. The second and fourth games were both disputed by the Capitals, and the kick resulted in Col. McDonald refusing to act further. Hugh Carson replaced him. The teams were:

Cornwalls: Carpenter, Crites, Murphy, H. Adams, Hughes, T. Adams, Riviere, Danaher, Turner, Lacey, Black, Lee, McLellan.

Cornwalls: Carpenter, Crites, Murphy, H. Adams, Hughes, J. A. Adams, Riviere, Danaher, Turner, Lacey, Black, Seo.

Capitals: Pearson, Whitelaw, Quinn, Devine, James, Monel, Mulligan, Barry, O'Brien, Murphy, Green, Ketchum.

The Canadian yachtsmen who participated in the L. Y. R. A. regattas are evidently enjoying themselves on the return trip. Oriole was the only boat reported in Toronto up to last night. All the jolly sailors of Toronto are expected home to-day.
