Ald. Sheppard wished to put himself on record. He did not think the officials of the city were overpaid, nor did be ever think so. After the bylaw passed he would be in favor of having a committee appointed to rectify any errors. The amount was not altered, This makes a total of \$74,650 taken off the works branch.

Ald. Lamb suggested that \$5000 be set aside for grading and leveling city property. The committee would not agree to this.

THE INSOLVENCY BILL.

The Board of Trade Committee Has the Bill in Hand.

Last evening a few gentlemen of the Board of Trade Committee on Insolvency, including President Blain and Messrs. McKinnon, Bertram, Thornton and Wills, met in Board of Trade Building. The Government measure on insolvency was the topic on hand. A few sections of the proposed bill were discussed in a confidential manner, and the differences between said bill and that formulated by the board was noted. It is proposed that the different sections of the board discuss the subject in committee, and finally a general report will be made.

Owing to previous engagements and the calling of the meeting at a late hour a number of gentlemen were not able to be at last night's meeting, and progress was in consequence delayed.

London, President Provincial W.C.T.U.,
and Mrs. Rockwell. Not the least attractive
feature of the afternoon will be a gospel
song service conducted by the O'Banyoun
Jubilee Singers.

Brought To the Central, W. H. Green, the young man who escaped from the Central Prison some weeks ago, was brought back from Brockville by Deputy brought back from Brockville by Deputy Logan on Thursday. He says he was tempted to run away through his cell door not having been locked on the night of his escape. The guard appears to have forgotten to lock Green's door. He further states that he passed right under the nose of one guard, who saw him but didn't interfere. He also saw three other guards, but they didn't observe him. After getting over the wall he went along the streets and passed three policemen before he had changed his prison garb.

Fagged Out—None but those who have become fagged out know what a depressed, miserable feeling it is. All strength has gone and despondency has taken hold of the sufferers. They feel as though there is nothing to live for. There, however, is a cure—one box of Parmelee's Vegetable Pills will do wonders in restoring health and strength. Mandrake and Dandelion are two of the articles entering into the composition of Parmelee's Pills.

Widow of a Science Brings Her Case

R. T. Haun, treasurer of Dufferin County, committed suicide in Buffalo a few months ago. An audit of his books revealed a shortage of \$11,000. We see nothing to encourage purchasers for investment; would scalp on long side for quick turns. Corn and oats market weak on increasing receipts, corn with less export demand. Receiving houses continue to sell against purchases to arrive, and the trade being narrow market sags.

Provisions—After a firm opening on light receipts, hogs product began to come on market freely and prices gave way. Stocks are increasing, prices are relatively high and it will be hard to maintain them.

onts were steady in spite of wankfales of order grains. Light car lots and a good cash demand and the small stocks are the support.

Provisions averaged lower, but were very irregular. Good buying of lard early held the market until after call, when floor traders raided pork and caused a break in all product. Later very heavy buying of ribs by a western packer advanced that article, while lard and pork dropped. The buying to-day has certainly been first-class and would give us a good upturn if we had any trade.
