Sheep and lambs—Receipts, 5,000 head; sheep, active; lambs, slow; unchanged.

A CRIPPLE CURED

Helpless and Bent with Rheumatism—Cured by Dr. Williams' Pink Pills.

"I was a helpless cripple. I was bent in form and could not straighten up. Crutches were my only means of moving about. I tried many medicines, but they all failed until I began using Dr. Williams' Pink Pills—they cured me." George Schaw, of Short Beach, N. S., made the above almost startling statement to a reporter a few days ago. Mr. Schaw is now a well built man, strong and broad shouldered. Like thousands of other Nova Scotians, he is a fisherman, and is consequently exposed to all kinds of weather, just the conditions to set the rheumatic person in the blood at work. Mr. Schaw adds: "It is impossible to overrate the severity of the attack. The trouble was located in my back and right hip. I had to quit work and was mostly indoors. There was a time when I never expected to stand erect again, but Dr. Williams' Pink Pills straightened me up again, not only that, but they made me the strong hearty man you see me today. I can never describe the awful pain I suffered before I used these pills. I tried many medicines and had treatment from several doctors, but to no avail. My legs became so stiff that in order to move at all I had to use crutches. Finally the doctors decided that I was incurable, and told me they could render no further assistance. I continued to suffer day and night, and then came the turning point of my life. A friend from a distance came to see me and it was from him I learned that Dr. Williams' Pink Pills were a great cure for rheumatism. At once I got a supply and began to use them. The first indication that they were helping me was when the pain grew less severe. In a few weeks more the swelling in my legs and hips began to leave, then my joints seemed to loosen up, and then it was not long until my crutches were thrown aside and I could straighten up. Then I began to go out doors and soon was able to resume my work as well as ever. Since that time I have never been troubled with rheumatism or lame back. I can tell you my neighbors were astonished at my cure, they had all thought I always would be a cripple."

Dr. Williams' Pink Pills cure rheumatism by going straight to the root of the trouble in the blood. They make new rich blood that sweeps out the poisonous acid and soothes the jangled nerves. That is how they cure all troubles rooted in the blood, such as anaemia, indigestion, neuralgia, St. Vitus dance, general weakness and the special ailments that only girls and women folk know. Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from the Dr. Williams' Medicine Co., Brockville, Ont.

Derailed at Woodstock.

Woodstock, Nov. 17.—With three-quarters of an hour lost time to make up, the Chicago New York express on the Grand Trunk, bowling along at 50 miles or more an hour, was derailed at one and one-quarter miles west of Woodstock at 4:45 o'clock yesterday morning.

The locomotive did not leave the tracks but the coaches did. A day coach and a Pullman went over the embankment into a ditch, and the former turned over, yet not a single fatality has to be recorded, not even a very serious injury. The escape of the passengers, when the possibilities of the wreck are realized borders on the miraculous.

The derailment occurred just west of the C. P. R. diamond. The cause is not yet ascertained.

THE INJURED.

The injured are: Edward Wilkinson, of Toronto, brakeman, back injured. Frank McCormick, of Toronto, conductor, bruises and shock. Charles Hicks, of Buffalo, knee injured. Mrs. Hicks, three ribs broken. J. R. Smith, of Rochester, scalp wounds. Mrs. Smith, hip injured. Edwin Skinner, Lapeer, Mich., head cut.

Peter Jorgenson, Memphis, Neb., left hand badly lacerated. All the injured were in the day coach, when the accident happened.

Death of Senator Vidal.

Sarnia, Nov. 18.—Hon. Senator Vidal died to-day at 2 o'clock at the residence of his son-in-law, T. W. Nisbett.

Senator Vidal has been ill nearly a year and death was not unexpected. He was in his 88th year, and is survived by two sons and two daughters.

The funeral was on Wednesday at 3 o'clock from St. Andrew's Presbyterian Church.

Senator Vidal was one of Sarnia's oldest and most highly respected residents.

Hon. Alexander Vidal was born in Berkshire, England, Aug. 4, 1819, being the eldest surviving son of Captain R. R. Vidal, R. N. The Vidal family came originally from Spain, removing to England in the seventeenth century. He was educated at the Royal Mathematical school, Christ's Hospital, London, accompanied his father to Canada in 1834, settling in Sarnia, Ont., the following year.

Married, December, 1847, Catherine, eldest daughter of Captain W. E. Wright, R. N., of Moore, Lambton County. He practiced the profession of civil engineering from 1843 to 1852, and was manager of Sarnia branch of the Bank of Upper Canada from 1852 till the failure of that institution in 1866. He held the same position in the service of the Bank of Montreal from that time until 1875, when he resigned. At the first general election following Confederation in 1867, he was an unsuccessful candidate against Hon. Alex. Mackenzie for the house of commons; again in 1872 he was defeated. He represented the St. Clair division in the legislative council from September, 1865, until the union. He became a senator at the call of Sir John A. Macdonald, Jan. 15, 1873. He was a man who took a general interest in the affairs of his community. He had been lieutenant-colonel in the Canadian militia, county treasurer of Lambton, president of the Y.M.C.A. at Sarnia in 1878. The temperance cause claimed a great deal of his energies in late years, and he was a central figure in the Dominion Alliance for the total suppression of the liquor traffic, of which organization he was a past president. Senator Vidal was a member of the Church of England till 1843, when he joined the Presbyterian Church, and has represented the Sarnia Church in the General Assembly.

He is survived by four sons and two daughters.

TORONTO.

Toronto, Nov. 20.—Trade was fairly brisk at the western cattle market this morning and everything was sold at last week's prices. There continues to be a wide variety in the quality of the cattle, poor stuff being as strongly in evidence as before. Considering quality, prices are very good for the class of cattle bringing them.

Total receipts consisted of 85 cars, containing 1,500 cattle, 1,339 sheep and lambs, 750 hogs and 10 calves.

Sheep and lambs were steady and unchanged, while hogs were quoted by Harris as 25c up all around.

Butcher cattle—A load or two brought as high as \$4.50 this morning, but the majority of the offerings were of light weight.
