

Boils and Pimples

Red Rash, Eczema, in fact any skin disease, disfigures the complexion because the bowels are constipated—or because the kidneys do not rid the system of waste—or because the skin itself is unhealthy.

Ointments, salves and soaps are useless. Because the trouble is with the blood.

Owing to defective action of bowels, kidneys or skin, the blood becomes laden with impurities. It is these impurities—deposited by the blood—that make boils, pimples, and painful, disfiguring skin diseases. It is because the trouble is with the bowels, kidneys or skin, that FRUIT-A-TIVES cure these diseases.

Fruit-a-tives

act directly on the eliminating organs—correct their irregularities—strengthen them—and thus clear the skin and make the complexion clear and soft.

If you have any skin trouble—or any fault with constipation, liver trouble, biliousness, headache, indigestion, rheumatism—care yourself with Fruit-a-tives. They are made of fruit juices and taste—and never fail to cure. Get a box of 6 boxes for \$3.50. Sent you receipt of price if your druggist does not handle them.

FRUIT-A-TIVES LIMITED, OTTAWA.

LOCAL AND SPECIAL

Messrs. J. H. Hicks and Sons are filling orders for stock for two large apple warehouses which are being built by contractor J. A. Brown at Round Hill and Lawrencestown.

To-morrow Thursday evening the annual Harvest Festival will be held in St. Mary's Church at 7.30. The Festival will also be continued at the usual afternoon service on Sunday next, with Rev. Canon Watson as preacher. Collections for Episcopal income.

On Friday, Frank Watson, while tending a circular saw in Crocker and McMaster's mill, Tremont, caught his hand and had the three first fingers sawed off. The fourth broken in two places and part of the bone chipped out. Dr. Miller who was called and dressed it, thinks he may be able to save the little finger in an amputated condition.

A Meeting of the Nova Scotia Postmaster's Association will be held in O'Brien Hall, Granville Street, Halifax, on Wednesday Oct. 3. The object of the meeting is to hear the report of the delegates sent to Ottawa last April to interview the Government with reference to a more equitable adjustment of matters in connection with the service, also to complete organization, and appoint permanent officers.

The School for the Blind, Halifax, will be open to visitors during the Dominion Exhibition as follows: from 3 to 5 p. m., on each day from September 26th to September 28th inclusive, also from Oct. 1st to 5th inclusive. This will give an excellent opportunity for visitors to the City to see pupils at work and to hear a musical programme rendered by them. Visitors will be keen to note the hours and dates so as not to miss seeing one of the most up-to-date institutions in Canada. Admission to exercises and concerts free.

The Yarmouth County Annual Exhibition will be held in the Agricultural Hall Wednesday and Thursday Oct. 10-11, 1906.

Prizes offered \$2,500.00.

Special attractions each afternoon and evening.

Band Concert each evening.

Horses will be shown and judged Thursday afternoon by Expert Judges.

The concert in aid of the Home for Aged and Infirm Masons, which took place in the Court House on Friday evening last, was considered by those present to have eclipsed anything in that line ever before held in this town. It would be impossible to particularize owing to the great space reserved for this notice, other than to say every number on the programme was not only loudly applauded but cheered. The thanks of the Committee are especially due to Mrs. Dr. Prouse for the artistic decoration of the stage. After paying all expenses something over \$30 will be added to the fund already subscribed to by the Masons of Robbsey Lodge for this very worthy object.

If a Cow gave Butter

mankind would have to invent milk. Milk is Nature's emulsion—butter put in shape for digestion. Cod liver oil is extremely nourishing, but it has to be emulsified before we can digest it.

Scott's Emulsion combines the best oil with the valuable hypophosphites so that it is easy to digest and does far more good than the oil alone could. That makes Scott's Emulsion the most strengthening, nourishing food—medicine in the world.

SUFFERING WOMEN

Need just the Rich Red Blood Dr. William's Pink Pills Actually Make.

Frost's glacial life the health and happiness of every woman depends upon her blood. If her blood is poor and watery she becomes weak, languid, pale and nervous. If her blood supply is irregular she suffers from head aches and back aches and other unspeakable distress which only women know. At every stage of woman's life Dr. Williams' Pink Pills are her best friend, because they actually make the rich, red blood which gives birth and strength and tone to every organ of the body. They help a woman just when nature makes the greatest demand upon her blood supply. Mrs. H. M. Wood, who for twenty years has been one of the best known residents of St. Roch, Que., says: "Dr. Williams' Pink Pills have been a blessing to me. I was weak, worn out and scarcely able to do anything about it. I suffered from headache and dizziness, my appetite was poor, and to attempt housework was utterly worn out. I slept badly at night, and what sleep I got did not refresh me. For nearly three years I was in this condition, and was constantly taking medicine, but found no benefit from it. One of my neighbors, who had used Dr. Williams' Pink Pills with much benefit, advised me to try them. I sold in the words 'I am well again.' There are times yet when I take the pills for they seem to me a cure against the troubles from which so many women suffer."

Dr. Williams' Pink Pills do not get on the bowels. They contain just the elements that actually make new blood and strengthen the nerves. That's why they cure anaemia, indigestion, neuralgia, rheumatism, lumbago, headache, backache and heart palpitation. That is why they are the greatest rest help in the world for growing girls who need new blood and for women who are troubled with irregular health.

They are sold by all medicine dealers or by mail from Dr. Williams' Medicine Co., Brockville, Ont., at 50 cents a box or six boxes for \$2.50.

John Fox of London, Eng. representing John Fox & Co. fruit brokers, has been in town during the past week. During this period in company with his agent, Abram Young, he visited many places in the county, and in conversation with the Monitor yesterday, said that he found the apple crop in a very satisfactory condition. He says the English market is better than anticipated, the Ontario and American crops having turned out so well as expected.

Had Letter for Thirty Years. I have suffered with letter for thirty years and have tried almost countless remedies with little, if any, relief. Three boxes of Chamberlain's Salve cured me. It was a torture. It breaks out a little sometimes, but nothing by what it used to do. D. B. Beach, Midland City, Ala. Chamberlain's Salve is for sale by W. A. Warren, Elm, E.

More Trouble. The Monitor is certainly "up against it." This time our type-setting machine has gone back on us, the metal set having developed a serious leak, and of course cannot be run until repairs arrive. No doubt our readers have often read Mack Twain's and M. Quinn's writings on the county press, where the Editor speaks of the "man who is ourself." That is our position just now. It is a case of "who is ourself?" The Editor (who is ourself). The Pressman (who is ourself). The Manager (who is ourself). The Devil (who is some one else—but we certainly feel like His Majesty).

Next Sunday in St. James' Church the annual harvest festival will be held. Services.
