

THE INTERNATIONAL ROAD CONGRESS.

The city of London has issued an invitation to the members of the International Road Congress, in session June 23 to 28, 1913, to attend a conversazione, to be held in the ancient Guild Hall, to meet the mayor, aldermen, and common councillors of the city of London.

The delegates will be entertained with the traditional hospitality for which the city corporation is famous. The Guild Hall, with all its art treasures and its historic records will be open to the visitors. A dance will be given in the famous library, which will be specially arranged for the occasion. A concert will be given for those musically inclined in the council chamber.

We understand that a number of well-known Canadian road engineers and others interested in the "Good Roads" movement have intimated their intention of attending the congress.

There will necessarily be some limit to the number of those to whom invitations to these special functions can be issued, and those interested in the roads in Canada who intend to proceed to London and have not informed Mr. Rees Jeffreys, general secretary, of their intention to do so should communicate with him without delay at Queen Anne's Chambers, Broadway, Westminster, London, S.W.
