In conclusion, the Memorial stabog loave ory respectfully to remain her Maesty's are a average of the oil gaton under which is the states and their rulers he to Hon by when shep. a tys to roy and prim on do roo jistion, a alose trues they are bound to espose, and whose Church it is at ke the rioterest f a Church which should agree to being, in the opinion of the Momeral ses, with the greatest difficulty, being now held to be involved in the Church unciterably established in Scot. Let week, set before his friends a York-aminion, to do so. But it is well to the faith of treaties, or whether this therefore, and centuring four that a large inmostly of the Church's extension is to commit, as the Medical twelve pounds of botter and size, a brace carers are prepared, in obedience to makets would regularly by the house is not ill cour's, to cast off her authority, would offence, of not only breaking the ero the Church, while continuing to indical transbut of desowing the authorine advantages seemed to her by law, by of Christ to his on thouse, and retosing overe, as she must in principle do, it to recognise His Church as a free spirital. society, instituted by Him, and a vertical by His laws at me.

The Memoralists now leave the whole subject in the hands of her Majosty's Gacwhich shall must could ace to the good of the Parker, and his excited so no attention country, a d to His own glory

Signed in the name and by the authority of the assemned Manuers,

THOS. CHALMERS, D. P., Chairman of the Meeting.

Civil Intelligeme.

One of the most singular names me with perhaps, is that of a gentleman or crimic in Kent. His times name was Berr, and, as he had maternal relations of the name of Savige, his parents gave how the christian name (or rather the unschrissian name) of Savage. Hence he enjoys the pieusing and annable name of Savage Bear, Esq.—Globe.
