## Specific **No. 10** For Dyspepsia

has for years been the favorite remedy of thousands for indigestion, weak stomach, constipation and biliousness, and in innumerable instances it has proven a positive cure for these ailments. We now propose to give it particular prominence.

It is our aim to make No. 10 so familiar to the public that dyspepsia cannot be read about, spoken of, or experienced, without recalling the significant and easily remembered phrase :

**" No. 10 For Dyspepsia. "**

This will be seen continuously in the leading papers of the country and with your kindly co-operation for our mutual benefit it will be seen in the leading drug stores.

If you want your share of the trade in No. 10, you should send for your share of the special advertising which brings it. It is at your service. All that we need is a postal card telling us where to send it.
