

WINCHESTER

AUTOMATIC RIFLE
.22 CALIBER MODEL 1903

LIKE HISTORY IT REPEATS ITSELF

As a means of pleasure and sport, the Winchester Automatic Rifle is as far ahead of any other .22 Caliber as an automobile is ahead of the historic one horse shay. After loading this rifle, all that it is necessary to do to shoot it ten times is to pull the trigger for each shot. Although automatic in action, it is simple in construction and not apt to get out of order. For city, country or camp it is the gun of the day. To shoot it is to appreciate it. You can handle this rifle and see it shot in our demonstrating booth at the St. Louis Exposition.

See our Exhibits at St. Louis, in Manufacturers and Fish and Game Buildings.
