ALLEN'S LUNG BALSAM
 25c, 50c. and \$1.00 per bottle.

SPECIAL NOTICE

We have decided in future to put Dr. Jugs' Medicine in a glass bottle instead of a glass bottle as heretofore. The Jugs that we will use for this purpose are made of the finest imported Rockingham of a bottled brown color with Dr. Jugs' Medicine for Lungs, Liver and Blood, in raised letters on the side.
 Our reasons for making this change are:
 1st—The wonderful curative qualities will be better preserved by the medicine being kept entirely in the dark. 2nd—As the Jug will be registered it will be impossible to counterfeit it. 3rd—The name, "DR. JUG'S MEDICINE," will be more easily remembered by association. 4th—Our friends will be able to recognize at once that they are getting the genuine article, as there is no other medicine put up in a Jug.
 PRICE, \$1 PER JUG. SIX FOR \$5

PROF. LOW'S SULPHUR SOAP is a cheap and handy form of obtaining the healing virtues of a sulphur bath.

Scientific and Useful.

ROASTED EGGS.—Pick a hole in each egg shell with a pin. Wrap the egg in wet paper, and put it into hot ashes to cook. Fifteen minutes should cook them. Serve as boiled eggs.

ROASTED EGGS.—Pick a hole in each egg shell with a pin. Wrap the egg in wet paper and put it into hot ashes to cook. Fifteen minutes should cook them. Serve as boiled eggs.

DELICATE CAKE.—Take one cupful of butter, two of white sugar, four of flour, one of sweet cream, the whites of eight eggs and one-half teaspoonful of baking powder; flavour with lemon or rose-water.

FOR TOOTHACHE.—Go buy a bottle of Pain-Killer, and find relief in the twinkling of an eye.

SALLY LUNN WITHOUT YEAST.—To a quart of flour add four eggs beaten up with one cup of sugar, one pint of warmed milk, with a tablespoonful of melted butter in it, and two and a half teaspoonfuls of baking powder. Bake in "Turk's heads" like sweet cake, but serve hot for breakfast, putting it on the table whole.

BAVARIAN CREAM.—One half box of gelatine dissolved in a little cold water, the whites of five eggs beaten stiff and mixed with it, flavour with vanilla, one quart of new milk brought to a boil, yolks of five eggs beaten stiff and mixed with one cup of sugar; pour these alternately into the boiling milk. Stir well while cooking about ten minutes, then pour into moulds.

AN OLD TIME FAVOURITE.—The season of green fruits and summer drinks is the time when the worst forms of cholera morbus and bowel complaint generally prevail. As a safeguard Dr. Fowler's Extract of Wild Strawberries should be kept at hand. For 30 years it has been the most reliable remedy.

BAKED CHICKEN.—Disembowel the joints in the same manner as for stewing; lay the pieces in a shallow dish, and pour over the meat sweet cream in proportion to one-half cup to each chicken; season to taste. Baste occasionally with the liquor formed by the cream and the juice of the meat, and as fast as the pieces get browned turn them.

A PEAR COMFORT.—Wipe, but do not peel the pears, steam them until they are tender, take them from the steamer, put them in a pudding dish; add enough water to almost but not quite cover them, and a cupful of sugar to a quart of pears. Set them in the oven for from fifteen to twenty minutes. Quinces are also nice served in this way, only they should be peeled and cut in halves.

THE NEW SUBSTITUTE FOR PILLS.—Campbell's Cathartic Compound. Easily taken, much more effective

BAKED APPLE DUMPLINGS.—One quart of flour; stir into it three teaspoonfuls of baking powder, then rub into it two ounces of butter, after which stir into it one pint of milk, all at once. If not quite soft enough to roll out, add a little more flour. Cut the dough in two parts. Roll each part separately, cutting from it six dumplings, which will make twelve in all. Into each dumpling put two half apples. Bake three quarters of an hour.

A PEAR COMFORT.—Wipe, but do not peel the pears; steam them until they are tender, take them from the steamer and put them in a pudding dish, add enough water to almost but not quite cover them, and a cupful of sugar to a quart of pears. Set them in the oven for from fifteen to twenty minutes. Quinces are also served nice in this way, only they should be peeled and cut in halves.

A SEVERE ATTACK.—"I never felt better in my life than I have since taking Bardsell Blood Bitters. I had a severe bilious attack; I could not eat for several days, and was unable to work. One bottle cured me."—John M. Richards, Sr., Tara, Ont. For all bilious troubles use B. B.B.

MOULD OF CHICKEN.—Broil a chicken or chickens in as little water as possible, until very tender; pick the meat from the bones, rejecting the skin, and chop or cut into small pieces—not mince. Season with pepper and salt. Boil until hard half a dozen eggs, and cut into slices. Put into the bottom of a mould some slices of egg, cover with chicken, then arrange some slices of egg around the sides of the mould, press the chicken against the pieces to keep in place. In this way fill the dish. Boil down the broth so that there will be about a cupful for each chicken; season, and to each cupful add a teaspoonful of gelatine, which you have first soaked in a very little cold water. Pour over the chicken while warm, not hot, and set it aside for a day and night. Turn into a platter and garnish with celery leaves or parsley.
