Wire Fence that Won't Sag

There are some wire fences that look very pretty when they are first put up, but they won't stand the test of time. They will sag all out of shape. **THE PAGE COIL SPRING WIRE FENCING** will stand the test of time. The wire is of the very best quality of steel specially tempered and toughened. It does not stretch. The Page Wire is twice as strong as that of the same size used in other fences. The Page is Horse High, Steer Strong, and Pig Proof. Write for Price List and other particulars to
