The Sunbeam.

With pleasure we announce to our parishoners and friends that the publication of THE SUNBEAM is now practically insured. With the exception of a few errors pointed out for improvement, it has met with approval, which we hope may continue.

As the publication will be carried on throughout the year, the friends who have sent in their names as well as others who wish to become subscribers, may now forward their subscription.

We would ask all to assist, as much as lies in their power to make the paper a success.

All we require as a sufficient sum to meet the actual outlay of printing etc. if therefore all respond we trust this will be easily met with, and hope with God's blessing that the tiny ray of light conveyed into each home, may prove ample reward for the slight expenditure of subscription.

Your Friend and pastor,
W. F. BROWNLEE.

Thanksgiving Day.

My Dear Parishoners—

Just as this is in press arrangements have been made for a union thanksgiving service in Gorrie and Wroxeter with which I heartily concur and trust that our people will embrace opportunity of uniting with our Christian brethren in public worship and thanksgiving to God. In order therefore to comply with the Bishop's pastoral and assist in a time of pressing need for Huron College our services will take the following order:— Fordwich 1.30 p. m. Wroxeter 1.30 p. m. Gorrie 6.30 p. m. at which the history, work, and teaching of the College will be dealt with as touching the prosperity of our church and the cause of Christ. I therefore hope to see a good attendance at these services.

Your servant in the Gospel.

W. F. BROWNLEE.
