Mercantile Summary.

A COMPANY, with a capital of \$50,000, is to
be incorporated for the purpose of manufacturing
boots and shoes, at Stanfold, in the Eastern
Townships.

THE REPEAL of the tea duty has caused an
advance of 5c. on tea in bond in New York.

THE BILL repealing the Insolvent Act has
passed the second reading in the House of
Commons. It now goes to the Senate, where
we hope the "Lords" will give it the quietus.

A BILL has been introduced into the British
House of Commons to prevent the collection of
debts by process of law under forty shillings in
amount. As this measure is claimed to be in
the interest of the "workingman," and is likely
to be very popular with voters of that class, it is
not unlikely to carry in some shape. If debts
under forty shillings may not be collected by
legal process, would that not be the entering
wedge to the total abolition of credit?
