The Committee's duties should be confined to the tasks outlined above, should not any duties should be confined to the tasks outlined above, and should not extend to matters connected with the compilation of statistics, except as provided in Appendix A.

With the object of avoiding any overlapping the Advisory Committee should work in all of the League

should work in close co-operation with the Economic Organisation of the League and the International Institute of Agriculture. As the work of the proposed Committee would be concerned with business or than policy of the proposed Committee would be concerned that the chief exportrather than policy it should be small. It was recognized that the chief exportbe countries—viz. A should be small. It was recognized that the chief exportingcountries viz., Argentine, Australia, Canada and the United States—should to separately representations. be separately represented, and that the Danubian Countries should be entitled important in the countries of to a represented, and that the Danubian Countries should be entitled a representative, as would the U.S.S.R. It was regarded as essential that the Danubian countries as would the U.S.S.R. It was regarded as essential that the properties of the countries of the

importing countries should be represented as well as exporting countries.

It was at first It was at first suggested that the importing countries might be represented to or three suggested that the importing countries might be represented to the countries of the coun by two or three members, to be named by the Economic Committee of the that it of Nations. Duty, to be named by the discussion in the Sub-Committee League of Nations. But it appeared from the discussion in the Sub-Committee of representations. that it would be preferable that the committee should contain an equal number agreed sentatives of interest that the committee should contain an equal number agreed sentatives of interest that the committee should contain an equal number agreed sentatives of interest that the committee should contain an equal number agreed sentatives of interest that the committee should contain an equal number agreed sentatives of interest that the committee should contain an equal number agreed sentatives of interest that the committee should contain an equal number agreed sentatives of interest that the committee should contain an equal number agreed sentatives of interest that the committee should contain an equal number agreed sentatives of interest that the committee should contain an equal number agreed sentatives of interest that the committee should contain an equal number agreed sentatives of interest that the committee should contain an equal number agreed sentatives of interest that the committee should contain an equal number agreed sentatives of interest that the committee should contain an equal number agreed sentatives of interest that the committee should contain an equal number agreed sentative s of representatives of importing and exporting countries. Subject to this it was if circumstate the Committee and exporting countries its membership agreed that the Committee should be given power to enlarge its membership if circumstances appearances appearance should be given power to enlarge its membership

if circumstances appeared to render such a course desirable.

Importing the committee should be given power to the course desirable. Importing States to be represented might be selected according to one of methods: either the represented might be selected according to one of the represented might be selected according to one of the represented might be selected according to one of the represented might be selected according to one of the represented might be selected according to one of the represented might be selected according to one of the representation of the r Importing States to be represented might be selected according to one might make their collections countries participating in the Conference might make their collections. might make their selection while the Conference is still sitting, or the choice sion and left to the E might make their selection while the Conference is still sitting, or the close on this matter at the importing countries participated. It was felt that a decision on this matter at the Committee of the League. It was felt that a decision on this matter at the committee of the League. sion on this matter should be left to the importing countries.

In any matter should be left to the importing countries be left to the importing countries.

In any case, the members of the Committee should be appointed as repre-

sentatives of States, and not in their personal capacity.

The Advi: The Advisory Committee would be authorized, if it considered that circumces rendered such The Advisory Committee would be authorized, if it considered that circumparties rendered such action necessary, to convene a general meeting of the Advisory

Various suggestions were made regarding the chairmanship of the Advisory lested. Some more made regarding the League of Nations might be requested to ask some person of recognized standing and undoubted impartiality imports the post of Chernol Post of Chernol Some members thought that the League of Nations might be ask some to accept the post of Chairman. Others thought that in view of the exceptional desirable to the experiment. importance to the exporting countries of the wheat question, it might perhaps be It was a that the Chairman countries of the wheat question, it representatives. desirable to the exporting countries of the wheat question, it might perhaps that the Chairman should be chosen from among their representatives.

Advisor agreed the chairman should be chosen from among their representatives. It was finally agreed that the appointment of Chairman should be left to the among it Committee itself. Advisory Committee itself, which might be empowered to elect a Chairman from other new members on it, which might be empowered to select some among its members or, if it appeared practicable and desirable, to select some other person of recognized standing.
