of State of the United States of America*

No. 518

WASHINGTON, D.C.,
August 23, 1960.

SIR,

I have the honour to refer to your Note of July 20 in which you propose certain understandings to govern the loan by the Government of the United States of United States Submarine BURRFISH to the Government of Canada.

I have been instructed to inform you that with the exception noted below, these understandings are acceptable to my Government.

Accept, Sir, the renewed assurances of my high consideration.
