

- Willington**, Earl of, events leading up to appointment as Viceroy of India, 4218-19
- Willis, Mr. Errick F.** (Souris)
Budget, 2209. Wheat situation in the country; duties against Canadian wheat entering European countries on August 1, 1930; support given by the government to wheat marketing agencies; appearance of Mr. John I. McFarland before the banking and commerce committee in 1934 and evidence given as to his operations, 2209; benefits to people of western provinces through government's support of wheat prices; beneficial results of the wheat bonus; functions of the federal government in connection with agricultural relief, 2210; expenditure of \$46,000 on public works in drought areas of Manitoba; decision of Dominion-provincial conference of 1932 to continue granting relief rather than to carry on a program of public works within the municipalities and the provinces; seed grain advances and payments by government of freight on live stock in dry areas of Manitoba; advances by federal government of between \$13,500,000 and \$14,000,000 to Manitoba for relief and other purposes, 2211; scaling down the debts of farmers through the Farmers' Creditors Arrangement Act; advances under the Canadian Farm Loan Act; reclamation of dry areas under proposed legislation, 2212; benefits to farmers under the Ottawa agreements; shipments of cattle and hogs to Great Britain; reduction in interest rates under present government; function of the central bank in controlling and regulating credit, 2213; profit on gold taken over from the chartered banks of the country; appointment of Mr. Justice Taylor of Manitoba to the pension commission; trade agreements; reform policy of the Prime Minister foreshadowed in first speech made by him in the House on November 20, 1911, 2214, 2215
