MOTIONS FOR PAPERS

GREY CUP BROADCAST—LEGAL RULING

Motion No. 42—Mr. Chevrier:

That an order of the house do issue for a copy of any legal opinion or opinions given by the Department of Justice or any other counsel consulted concerning the jurisdiction of the B.B.G. or its ruling about the Grey cup broadcast.

Mr. Halpenny: Mr. Speaker, legal opinions are privileged communications and are not normally produced. However, in view of the fact that in this instance the C.B.C. has itself made public part of the opinion given it by the Department of Justice, therefore the tabling of the legal opinion from the Department of Justice in this instance would not constitute a precedent for the tabling of legal opinions provided to government departments and agencies. Therefore the government is prepared to accept the motion in this instance. This action is based on the particular circumstances, and is not to be regarded as a precedent.

Mr. Speaker: Is it the pleasure of the house to adopt the said motion subject to the reservations of the minister?

Some hon. Members: Agreed.

Motion agreed to.

PUBLIC BUILDING

Motion No. 46—Mr. Dupuis:

Motions for Papers

Mr. Rouleau: Mr. Speaker, may I, with the unanimous consent of the house, move this motion for the hon. member for St. Jean-Iberville-Napierville?

Mr. Speaker: The house has heard the request that has been made. Is it agreed?

(Text):

Mr. McCleave: Mr. Speaker, if this is No. 46, it is acceptable subject to the usual reservations—

Some hon. Members: No.

Mr. Speaker: It is No. 46. We are back-tracking. Is it agreed that the hon. member for Dollard (Mr. Rouleau) shall have leave to put this motion in the place of the hon. member for St. Jean-Iberville-Napierville (Mr. Dupuis)?

Some hon. Members: Agreed.

Some hon. Members: No.

Mr. Speaker: Is there any objection to the production of the documents called for in motion No. 46?

Mr. McCleave: I understand not, Mr. Speaker, subject to a reservation I was about to state; but I think there was exception to the fact that another hon. member was standing for the mover of the motion.

Mr. Speaker: The practice, I am informed, is that unless there is objection to the production of the documents there is usually no objection to an hon. member moving on behalf of another hon. member who is absent.

Mr. McCleave: Well, then, perhaps I should say that this is acceptable, with the usual reservations as to interdepartmental and intradepartmental correspondence being privileged.

(Translation):

Mr. Speaker: It is moved by Mr. Rouleau, on behalf of Mr. Dupuis, seconded by Mr. Robichaud, that an order do issue to the house for a copy of all telegrams, etc., according to item 46 of the order paper.

Is it the pleasure of the house to pass this motion subject to the reservations set forth by the parliamentary secretary?

Motion agreed to subject to the above-mentioned reservation.
