[*And the division bells having been rung.*]

Mr. Speaker: Order, please. As indicated at the beginning of the consideration of report stage, there are eight report stage motions. All but motion No. 3 stand in the name of the hon. member for Moose Jaw (Mr. Neil). At the outset of report stage consideration I indicated it would be appropriate to group motions Nos. 1, 2, 4, 5, 7, and 8 for discussion and for one vote. This afternoon the hon. member for Moose Jaw indicated to me that it is agreeable to him that his motion No. 6, which is similar in principle to the other motions, also be grouped, and therefore a third vote would not be necessary. Therefore I will put the question on motion No. 1 and that result will be entered for motions Nos. 2, 4, 5, 6, 7 and 8.

The question then is on motion No. 1 in the name of the hon. member for Moose Jaw.

The House divided on motion No. 1 (Mr. Neil) which was negated on the following division:
