

Victoria
COUNTY COURT

17th July, 1920

My dear Curie

Lupinus

A few days ago I got -
into a sort-of perplexing predicament
and wired you. When Dr. Donald
and Dr. Mc Pherson examined
Tom for the R.M.C. they reported a
slight varicocele - at the time they
did not know it was a bar for
Knights - they say it is not for the
Permanent force - so I got a letter
from the Adjutant-General suggesting
operation: I then wrote to
Hermann Robertson who said
there was nothing to operate on.
In reply to my telegram I got
a reply from the A.G. that they
