THE RANCHMEN'S CLUB

CALGARY

June 28<sup>th</sup>

1926

my dear Chief

June 30<sup>th</sup> sees me  
at a loose end, it became  
increasingly apparant  
that I was too expensive  
a luxury for the club  
although all were kind  
& courteous itself, even those  
most bitterly opposed to  
my appointment, (needless  
to say I knew nothing of  
opposition when I accepted)  
So I made up my mind  
to get all departments  
running smoothly & to  
a profit instead of a loss
