

November  
Twenty-sixth  
1920.

C. G. McNeill, Esq.,  
Secretary, G.W.V.A.,  
Ottawa.

My dear McNeill:-

I am attaching herewith a copy of a letter I have received from an old gunner of the 1st division.

You are somuch more familiar with the workings of the Land Settlement Board than I am that I am taking the liberty of sending the letter up to you and asking you to take it up with the Land Settlement Board and let me know just what they will do, and their reasons, if any, should they turn Palmer's request down.

If you think a letter from me will do any good, I shall be only too glad to write.

With all good wishes, I am,

Ever yours faithfully,

Encl.

Principal
