## QUEEN CITYS BEAT TORONTO

Tankard Group Final—Single Rinks Postponed—Draw for District Cup Games.

Toronto and Queen City played off the final in Tankard Group 4 on Granite ice, the latter winning by two shots, due to Haisley's margin over Muntz. Scores:

**THE SINGLE RINKS.**  
Owing to the "seventh mile" spell that set in yesterday, the third round of the single-rink competition was postponed; but, according to the probabilities, there will be four degrees of frost tonight, when eight more teams will be tossed into the discard.

**DISTRICT CUP DRAW.**  
T. H. Brunton, umpire for No. 1 District Cup clubs, made the draw last night at the Granite. Stouffville was the only absentee. Aberden drew the bye. Play starts this morning at ten o'clock, the draw and ice being as follows:

A—Parkdale v. Swansea.....	Ice.....
B—Brantford v. Clarendon.....	2 and 2
C—Granite v. Queen City.....	5 and 6
D—High Park v. Thornhill.....	1 and 2
E—Weston v. Toronto.....	3 and 4
F—Richmond Hill v. Newmarket.....	5 and 6
G—At Toronto.....	
H—Lakewood v. Oshawa.....	1 and 2

The second round will be played in the afternoon, the semi-finals tomorrow morning, and the final tomorrow afternoon.

**NEW CURLING ASSOCIATION.**  
PHOENIX, B.C., Feb. 3.—Curlers of the Boundary district enjoyed a great scoop-up-up "spiel" three days here, where the roarin' game went merrily in the handsome new \$10,000 rink. Five excellent sheets of ice were provided for the various events of the banquet and were the scenes of many hard struggles.

The Grand Forks Club and the All-Corners were won by hard struggles; Phoenix landed the Burns and the Smith Cups, while Mother Lode took the McLennan-McFarley Trophy.

The Boundary Curling Association was organized at the Phoenix banquet, when the following officers were elected:

President, J. A. Morrin of Phoenix; vice-presidents, K. B. Smith of Greenwood, E. Hibbert of Mother Lode, and N. L. McInnes of Grand Forks; secretary, H. C. Gregory of Grand Forks.

In the past each of the Boundary clubs has been contributing an annual per capita to the British Columbia Curling Association, but have been receiving no benefit whatever.

**Toronto Ball Players Sign With Illinois Club**  
Manager Bill Crystal Secures Graham and Hett For Appleton.

Pitcher Alex. Graham, who was with the Lourdes team, champions of the Don Valley League, has been signed by Manager Bill Crystal of the Appleton Club of the Wisconsin and Illinois League. Outfielder Oscar Hett, formerly of the Royal Canadians of the Beavies League, has also been signed by Appleton.

Hett has had experience in the south with Charleston and Jacksonville and was with the Lourdes last season. Graham and Hett will report at Appleton on Friday night, when the home boys are expected to play a double-header with the Lourdes.

**Senior Semi-Finals.**  
After Toronto Canoe Club handed Midland that troubling last night and tied up senior group No. 3 the draw for the semi-finals was made. T.C.C. and A.A. drew the bye and St. Michaels will meet the winner of group No. 2. Toronto Canoe Club and Midland will play a sudden death game either Thursday or Friday night in Orillia or Barrie, to decide their district and the winner will be St. Mike's opponent.

**Collingwood Trim Bradford.**  
COLLINGWOOD, Feb. 3.—The Intermediate O.H.A. game here tonight between Collingwood and Bradford was won by the Collingwood boys, the score being 30 to 4. The half-time score was 9 to 1 in favor of Collingwood. The game was one-sided, the home boys outskating and outplaying the boys from Bradford at all times. The penalties were few, and the game was clean throughout. Line-up: Collingwood (20)—Goal, Cook; point, Danes; cover, Hall; rover, Fryer; centre, Lawrence; right wing, Burns; left wing, McInnes.

Bradford (4)—Goal, McKinstry; point, Cowans; cover, Bughart; rover, Sutherland; centre, Scott; right wing, German; left wing, Hemmel.

## A CURLING GUESS

It is a fair guess that the Granite will have three in the semi-finals of the single-rink competition—Beatty in Group 1, Wilson in No. 2, and Rennie in No. 4. No. 3 is a toss-up, 3 to 1 against Beatty. Hunter and Snow at the Granite will be interesting. Some friends are betting for Pat Hayes to defeat McWhinney tonight, and it would be the crowning glory in the short and brilliant curling career of the young Irishman to put away a second Rennie in the fourth round, providing, of course, that Skip Tom succeeds in defeating Ross tonight.

## Varsity Tied Up BY BEATING T.C.C.

Downed Paddlers in Great Junior Game by Two Goals—Babe and Rough Stuff.

Rusty Bell's Varsity Juniors did themselves proud when they defeated Toronto Canoe Club 4 to 3 at the Arena last night. This tied up the group and it will be decided next week.

The paddlers showed a nice style of checking and with their spears they looked all over winners in the early stages. Varsity, however, did the come-back before the first half was over and stuck to their men like leeches. This was what won for them.

Big Jesse Barker lost his head after half time and launched out the rough stuff in style. His checkers, however, and his deliberate and it was lucky for him that the referee only gave him short rests instead of banning him from the game. It was uncalled for.

Varsity were poor in their passing and lacked team spirit for nearly half the game. One-man rushes were tried by the bunch and were successful for a time, but then they used a combination of the two and started to play down and started in to check back they had the canoeists working overtime.

The paddlers opened up fast and Varsity were left standing still. The play went right to the colleges boys and T.C.C. ran in the first two tallies. Varsity got their first score when Captain Cook rubbed from Meekling, when the latter went across in front of his own goal. Catto just shoved it past Laird.

This game Varsity a new lease of life and it was here that they played a combination game. Milne took a pass from the side after some strenuous end to end play and scored, leaving it 4 to 1 at half time.

Varsity played a much better brand of hockey in the second half and secured the only goals of the period. They started fast and were successful for a time. The card was made up of another unfinished trot and pace and the 2.35 pace stake of \$1000. In the latter race there were 25 entries and only five starters. It was a very easy win by Gratton Royal.

## T.C.C. DOWNED MIDLAND BOYS

After defeating Toronto Canoe Club scullers in Midland rather handily, the northern town boys were made favorites for their game at the Arena last night. The Paddlers were always the better and won going away with a 10-to-4 score.

Midland started out like world-beaters. They had a nice turn of speed, and with some good stick-handling, made a good-looking outfit. But after ten minutes of play they succumbed to the clever, hard checking of the canoeists and faded to almost nothing.

The Canoe Club had a barrel of speed, once they got going, and their team play was much superior to Midland's. Copp, Romeril and Swan played great hockey, thrusting the entire battle, and never let their man get away at any time.

C.P.R. Joe Lavereau tired badly after the first few minutes and gave Laird a team. Levine, Beatty and Chase were the best of the rest for the victors.

Midland could not navigate thru the checking, and they lost heart once the Paddlers got a lead. Gooch and Waugh were like a stone wall and checked their men so hard once they happened to get past the forward line that they were unable to shoot with any effect.

Both Luman and Scott played a brilliant game between the posts. Scott did exceptionally clever work under the conditions. Midland made it interesting in the first few minutes and gave Laird something to do. Once the waterdogs got their combination working, and there were the aggressors, and Gooch got away for a lone rush, and battled in a rebound from Scott's pads for the first goal of the game.

Macvey went down with it to Toronto's end and after being slung into the center, he landed one in the net. The T.C.C. defence opened up and stood and watched him shoot.

Lavereau put Midland in front by rolling in an easy one from the side. From this out it was all T.C.C. and they tied three times before the half was over. This left it 4 to 2 at rest time.

Midland started out in the second half just as at the beginning of the game, but it was only a flash in the pan. The Paddlers again straightened away, and there was nothing to it. They checked Midland to a standstill, and they saw that it was no use. Chase scored the first goal of the half, with three T. C. C. men on the fence.

The red ring crew were not satisfied until they had collected six for their share in this period, and Midland were allowed two. Final score: T.C.C. 10, Midland 4.

The teams:  
Midland (4)—Goal, Scott; point, Nichols; cover, Levine; rover, Macvey; centre, Chase; right, Beatty; left, Lavereau.
