A MAN COULD NOT EXIST IN THE MOON

He Would Have to Manage Without Fire, Water and

Air. The question of whether a man could live in the moon has been put to an eminent astronomer, who replied: "I am afraid not. A mad transplanted to the moon would find transplanted to the moon would find himself the lone inhabitant of a perfectly lifeless orb, in which eternal silence reigns. He would have to manage without air, water or fire. He would not need to put windows in his house, for there is no wind,
