CANADIANS WON FROM SCOTLAND

Fast International Match Won by Canada by Score of Two to One.

Canada's victory over Scotland in the International soccer game staged at Varsity Stadium on Saturday afternoon was the biggest surprise of the season. The team captained by Givens, the varsity boy, showed that they had the goods, and it was by putting up a superior game that they copped the contest. When the final whistle blew the count was two to one in favor of the Canadians, the half-time score was one to nothing against them. McCully secured Scotland's only goal of the game in the first half. The Canuck boys came right back in the second half and showed so much pep that the Scotchmen were unable to tally altho the Canadian goal was hard pressed on a number of occasions.

It was by a brilliant individual run that Rutherford evened up the score in the second half. The play was one of the brainiest seen on a local football field this season, and it was loudly cheered by Canadian and Scotch supporters alike. With five minutes to go Captain Givens went thru for Canada's second goal. The large crowd of 3000 went wild at this juncture. Canada was put on the defensive for the remainder of the game, but they were able to stave off the strenuous attack of the Highlanders. Altho Scotland tried hard they could not beat McCorkery out, and the Maple Leafs were victrious in the first international game for The Daily Star trophy. McCulley was the best man on the field. For Scotland, McKay, Clark, Colquhoun and Ferguson showed best. While every man on the winners' line-up put up the game of his life, McCorkery, Robinson, Givens, Reesor and Rutherford were the best.

The teams.

DAVIS CUP GOES TO AUSTRALASIA

Brookes Beat Williams in Deciding Game — McLoughlin Also Wins.

FOREST HILLS, Aug. 15.—After a twelve months' rest in the United States, the Davis Cup, the trophy which carries with it the world's team tennis championship, has resumed its international travels. On the turf courts of the West Side Tennis Club here this afternoon the Australasian team, challengers for the trophy, clinched its claim to the silver bowl by winning the third and decisive match of the tournament from the United States team, holders and defenders of the much-coveted prize.

Norman E. Brookes, captain and leader of the Antipodean racquet wielders, and R. Norris Williams, 2d, America's second ranking player, were the two contestants in the final battle which marked the passing of the cup. While the greatest gathering of tennis enthusiasts that ever assembled for an international tennis match looked on, Brookes defeated his youthful opponent, 6-1, 6-2, 8-10, 6-3.

The victory, added to those of Wilding over Williams on Thursday, and Brookes and Wilding over McLoughlin and Bundy in the doubles yesterday, gave Australasia the three out of five matches necessary for possession of the championship trophy.

Following this contest, McLoughlin defeated Wilding, 6-2, 6-3, 2-6, 6-2, but the result had no international bearing, being merely a masterly exhibition of the court game, such as only players of this calibre can give.

R. Carlisle Won Across-Bay Swim

Toronto Swimming Club's annual swim across the bay was won by Robert Carlisle in the fair time of 41.06 on Saturday afternoon. The winner is a new member of the Toronto S.C., as is also G. H. Moore, who took second place. There were twelve starters, seven of whom finished. Three men were under the time limit of 49 minutes, receiving gold medals. Carlisle wins the Walker House Trophy, put up annually by the proprietors of the Walker House, and he also gets a miniature of the cup. Moore wins the silver medal, and the bronze medal goes to T. Atkinson, who finished third.

The handicap race, based on the same contest, was won by G. Moore, who finished in 43.10, with his handicap time knocked off. The time was not fast, as the distance has been covered in about 47 minutes in previous years. Considering the stiff breeze, the time was fair, however, Carlisle was easily first, being 250 yards ahead of the second man. There was a tight battle for second place, and it was only in the final quarter-mile sprint that Moore pulled out ahead. Hodgson, a veteran swimmer of 61 years, swam a remarkable race, considering his age. He finished ninth, and was given quite an ovation when he crossed the finish line. Incidentally, he was one of the freshest men of those who completed the distance. The results were:

1. R. H. Carlisle 41.06
2. G. H. Moore, ... 43.10
3. T. Atkinson 43.45
4. W. T. Jackson 49.20
5. C. M. Leichman 51.45
6. W. Davidson 61.12
7. C. Hodgson 61.55

The judges of the finish: Mr. J. Weir Anderson, Mr. H. A. Sherrard and Mr. J. Mont. Lowndes. Starter, Mr. H. A. Sherrard. Clerk of course, Mr Chapman, captain of the life-saving station.

"WHY IS CANADA BRITISH?"

"Why is Canada British?" is one of the questions asked and answered by Emily P. Weaver, in her recently published book, "Canada and the British Emigrant." "It is British," says the author, "because its older English-speaking colonies were founded on the idea of 'loyalty,' as some of the New England colonies were founded on a demand for religious liberty. The two colonies of New Brunswick and Upper Canada owe their first existence as separate provinces to the influx of loyalists towards the close of the 18th century; and Lower Canada, Nova Scotia and Prince Edward Island all received large additions to their population. The number of settlers who thus came in from the British colonies has been estimated at 45,000."

The loyalist migration into British territory moved in two great streams, one by sea to Nova Scotia, including New Brunswick, which did not become a separate entity till 1784, and the other by land to Canada, which was still an entirely distinct colony. In this second stream were a number of Highland families, which had only recently settled in the colony of New York—Macdonalds, Chisholms, Grants, Camerons, Fergusons and others. Then the movement for independence set in throughout the New England colonies, Sir John Johnson, the leader in the district, headed the Highlanders in a loyalist movement which brought them into such suspicion that they found it prudent to withdraw to Canada. There Sir John received a commission to raise on the frontier a battalion to be called the King's Royal Regiment of New York. In this battle there were five captains of the name of Macdonell, not to mention a lieutenant and an ensign, and 22 of the officers were born in Scotland. The claymores, dented by blows on the bayonets of Cumberland's Grenadiers, laid waste the settlements of Albany and Tyron, and protected the loyalists trekking north to Canada. When the war was over and they had to be disbanded, large numbers of this regiment settled in the uncleared but fertile bush on the banks of the St. Lawrence.
