

"BELCHER'S FARMER'S ALMANACK FOR 1862.—We have received from the Publisher a copy of this old and well established periodical. It contains about 150 pages of valuable information, including Astronomical calculations, Farmer's Calendar, Army, Navy and Volunteer intelligence, Societies, Provincial and County Offices and Officers, Religious Denominations, Tariff of Duties, &c. &c. It is neatly printed and seems to exceed in interest any number that has preceded it."—*Morning Chronicle*.
