These publications are handsomely illustrated, and contain much useful information in interesting shape. Time-Tables with Notes will be found a valuable companion for all Transcontinental travellers.

Copies may be obtained FREE from Agents of the Company, or will be mailed to any address on application to undersigned.

The Company has also published a new Map, on the polar projection, showing the whole of the northern hemisphere, and the Canadian Pacific Railway's Around the World Route in a novel and interesting way, and another of Canada and the northern half of the United States, showing the entire system of the Company in detail. A sporting map of Canada, showing the best regions for fish and game, is also issued. These maps will be given away for public and prominent display.
