ISSUE JUDGMENT **DECLARE WINNIPEG** ALREADY IN O.B.U. **RE EXPRESS RATES**

follows;

Labor Officials Believe Labor Increases Allowed, But Not Men Favor the New Organization.

Winnipeg, July 17.—According to leading local labor officials who have railway commissioners has issued its teken a prominent part in championing the cause of the "one big union," express companies for increases in winning labor today is a "one big union" organization. The business of reorganizing the craft system is merereorganizing the craft system is merely a matter of time, they declared.

Sixty-two of the 75 unions affiliated with the labor council have taken a vote on the "one big union" plan, and, it is said, in every case the majority chief commissioner, reads in part as follows:

vea-

wn.

We ces. The other 13 unions have not made returns as to vote or their membership leaders stated. The Typographical Union was the only one to refuse to take a vote on the proposal. An alseed threat by the Dominion Trades Caures for a rease, it is hoped, will prove sufficient to properly maintain the companies and Labor Council appeared to cause union authorities no worry. They anticipated that should are unions fail to fall in line with the "one big union" scheme such bodies would break away from the present erganization and form a little trace.

PEACE CELEBRATION

follows;

The companies will obtain a fair measure of increase in their first class and a fair measure of increase in their first class and second class rates. That increase, it is hoped, will prove still the business, but whatever to properly maintain the companies and Labor Council appeared to cause union authorities no worry. They anticipated that should are unions fail to fall in line with the "one big union" scheme such bodies would break away from the present erganization and form a little trace, and not in the interest of the charge made to charge made to company reach a componies.

MANITOBA ISSUES VERY OPTIMISTIC GRAIN CROP REPORT SOUTH SIBERIAN FRONT

Splendid Crop of Wheat-Start Cutting This Month-Alberta Getting Rain.

Winnipeg, July 17.-Hon. V. Winkler, minister of agriculture, issued a very optimistic crop report today, which

of the potatoes, and have flooded a small percentage of the low lands.

No place outside the Red River valley has received too much rain, and prospects are that some wheat cutting will start the latter part of July, and a general movement during the first week in August. A little rust appears here and there, but not enough to cause anxiety. The amount of hail damage is comparatively small.

Hay prospects were never better, and the abundant pasturage is ideal for dairying and live stock raising.

Edmonton, July 17.—Pretty nearly all Alberta is getting a moistening, according to the weather reports.

Rains that began in the Edmonton district in the early hours of the morning have since extended to a large area of the province and are giving promise of continuing thru the day. A substatial improvement in the grass and green feed crops is the anticipated

showers over most of the lines in central Alberta and in parts of the south country. The rain has apparently not yet reached the extreme east of the province, and is considerably lighter in the southern district, but is fairly general notwithstanding. In the north country, where crops are excellent, there is rain and cooler weather. Ottawa, July 17.-The board of weather.

Fires in the Nordegg country west of Red Deer have practically been ex-tinguished by a heavy four hours' judgment on the application of the express companies for increases in

HAIG APPRECIATES EFFORTS OF ALLIES

FRIDAY MORNING JULY 18 1919

London, July 17.—Speaking in London today on the accomplish-ments of the British Empire in the war, Field Marshal Haig

said:

"Nothing could be further from my thoughts and desires than to attempt to minimize the efforts of our allies. I have so often expressed admiration for their deeds that I trust I can say a word or two in praise of my own people without giving of-fense to others, for whose many successful actions in the field I have nothing but admiration. "I admit I am very jealous of the reputation of our own armies."

Letter carriers anticipate an exciting session at tonight's regular meeting at the S.O.E. Hall, which will discuss an alleged diminished bonus.

A member of the executive stated last night that the cabinet at Ottawa under the signature of Newton Wesley Rowell, had promised to equalize salaries east with those in the west. No attempt had been made to carry out this promise. Another member stated the service.

It was to be used for the formation of an association.

The men intended to discuss recent promotions on the force, but they were so pressed for time that this matter will not be taken up until the next meeting. The men claim that many of the returned men as well as others who did not serve in the army, who have only four or five years seniority, have been promoted over the heads of men who have had more service. this promise. Another member stated that the more experienced men had lost a total of \$1,700 during the war. Still another stated that a bonus amounting to \$350, promised by the government, had died a natural death on June 30.
