DISTINGUISHED VISITORS.

The City Was Full of Them Last Night—Mr. Paterson, the Winner in North Grey, Gets a Reception.

There were present in Toronto yesterday as many distinguished people as the Queen City has seen for some time, and last evening the chief hotels and the Union Station were fairly thronged with men of note.

Down at the Queen's were the Lord Chief Justice of England, Sir Frank Lockwood and their party, preparing for their journey to Montreal; Sir Charles Hibbert Tupper and his law partner, Mr. R. L. Borden of Halifax, who had come up to meet Lord Russell; Mr. J. Provand, an English member of Parliament, just returned from the Rossland mines; Messrs. Wainwright, McGuigan and Tiffin, high officials of the Grand Trunk Railway; and the Lord Bishop of Ontario, and Mr. J. P. Whitney, M.L.A., leader of the Provincial Opposition, en route to Winnipeg to attend the second general Synod of the Church of England in British North America, to meet in the Prairie City in a few days.

Up at the Rossin House were registered Hon. Thomas Ballantyne, ex-Speaker of the Ontario Legislature; Mr. J. R. Stratton, M.L.A. for Peterboro; the coming Provincial Secretary, and last, though perhaps not least, Mr. James Conmee, M.L.A., and would-be M.P.

Then, to adjourn to the Union Station. The 8.40 train from Owen Sound brought down from the North in North Grey, Hon. Hugh John Macdonald, Col. Tyrwhitt, Dr. Sproule, M.P., Hon. Wm. Paterson, Minister of Customs; Hon. William Mulock, Postmaster General; James Sutherland, M.P., the Liberal whip; Frank Pedley, Alex. Smith, the Liberal organizer, and Mr. E. H. Laschinger, Mr. Mulock's private secretary.

The Liberal section of the party, having been met by crowds and bands at several stations on the way down from Georgian Bay, the little demonstration here, gotten up by The Globe, would have served as a very fitting climax to the day's triumphal procession had it not been marred by one or two untoward circumstances.

As the train pulled in a crowd of 150 people stood upon the platform to receive the new Ministers, the following among others being present: Hon. Thomas Ballantyne, J. R. Stratton, M.L.A.; W. M. German, M.L.A.; Jas. A. Lowell, ex-M.P.; Edward Farrer, J. S. Willison, John Scully, Ald. Sheppard, Crown Attorney Dewart, Crown Attorney Curry, Ald. Hallam, Mayor Fleming, S. H. Janes, Hon. Lyman Jones, A. F. Rutter, Patrick Hughes, Benjamin Hughes, William Kerr, Q.C., ex-M.P.; Arch. Blue, H. J. Hill, H.M. Mowat, R. W. Elliott, S. W. Bruce, Hugh Cartshorne and John McMillan.

When the train came to a standstill the crowd essayed to welcome the members of the Government with a cheer, but were forestalled by Ald. Hallam, who grabbed the Minister of Customs by the coat the minute he appeared, and, pulling him from the car steps, yelled in his ear, "See here, Mr. Paterson, the first thing you do in Ottawa to-morrow, tell Mr. Laurier he's got to come up to our Fair."

Here Mr. A. F. Rutter, as president of the Reform Association, tried to speak to the Minister a few words of welcome on behalf of the party, but the redoubtable John excitedly protested, "Oh! you get away from here, My business is twenty-times as important as yours."

Mr. Paterson, finally escaping from the aldermanic clutches, mounted a truck on the platform, to address the gathering of faithfuls. While he was talking, some practical joker put the lights out, leaving the platform in darkness, but Mr. Paterson manaaged to express his gratitude at the kind reception accorded him, saying that, while he knew the turn out was chiefly a tribute to the Government, he was conceited enough to take some of the honor to himself. He spoke of the close contest in North Grey and observed that the Opposition had received a juse rebuke for introducing the religious cry into the fight. He took the victory as an indication that the country would give the Government a fair trial.

Mr. Mulock, being called for, expressed his joy at seeing the Tory city of Toronto accord such a welcome to Grits.

Thereafter Messrs. Mulock, Paterson, Lowell, German and Sutherland boarded the Grand Trunk train for Ottawa, and as they pulled out, the party were heartily cheered.

Five minutes later Hon. Hugh John Macdonald, Col. Tyrwhitt and Dr. Sproule, who had been quietly joined on the next platform by Sir Charles Hibbert Tupper, Mr. R. L. Borden, Sir Frank Smith and Mr. E. B. Osler, M.P., jumped aboard the C. P. R. express bound for the Capital.

Within the next half-hour Lord Russell's special train left the depot and the big station settled down to its usual everyday business of receiving and sending out ordinary travellers.

MONTH-END ... SALE

FOR 4 DAYS ONLY

Before the grand opening and display of autumn novelties, now at the freight sheds for us, we have decided upon holding an immense clearing fete for the last days of this month. Wherever the room is needed, from thence will the present occupants of the shelves be dislodged to make space for their incoming rivals. The following list contains some of the items of interest with which we hope to make this sale a success.

In House Furnishings

Balance lots of Towels, Quilts, Blankets, Sheetings, Linen Damask, Table Cloths and Towellings.

Particularly

25 dozen Fringed Huck Towels of extra fine quality, at $2 per dozen.
30 dozen of a better line for $3 per dozen.
20 pairs of full-sized Blankets at $2.50 pair.
24 White Marseilles Quilts, beautiful new styles, superior quality, down to $2 each.
50 Linen Damask Table Cloths, size 2 x 2½ yards, at $2 and $2.50.
18—2½ x 3 yards, at $3, $3.50 and $4.
A lot of White Turkish Towels at 12½c, 15c, 20c, 25c.
After our immense importations and sales of Washing Cotton Blouses this season, we have just TWELVE LEFT—these we will clear out to first comers for 50c each.
Here is a chance for the school children—One hundred dozen full-fashioned Fancy Cotton Hose, 5 to 8-inch foot, choice from 1200 pairs, for FIVE (5) CENTS.
NOT 50c, BUT 5c, REMEMBER ! !
To clear out the small balance now remaining in this season's stock of Mantles, Jackets, Capes, we have decided to dispose of the remaining few for LESS THAN HALF PRICE. We do this so as to maintain the unique and difficult position occupied by us in the mantle business, that of having nothing to show but new goods at the commencement of each season. The goods now offered are all this season's—and most stylish makes and kinds.

Remnants Cheap

In Colored Dress Goods, Black Dress Fabrics and in Silks, we have laid out some odd lengths—such as come in very handy sometimes, and these are all marked to clear sure.
A line of our new goods has crept in and is now being displayed, owing to the pressure brought to bear on us to show these goods by travelers and tourists coming to the city just now. We refer to our matchless stock of GOLF CAPES, specially the "Braemar" and "Deeside" varieties—the fringed kind that are having such a run in Europe at present. Our stock of them is not attempted by any other house in Canada.
Any of these things can be written about and procured through our mail order department just as if the purchaser were here in person.

JOHN CATTO & SON,
King-st., Opposite the Postoffice.

THE DEAD BABIES.

Coroner Greig Holds an Inquiry as to the Death of the Island Victim.

Coroner Greig last night commenced an enquiry as to the cause of death of the unknown female child that was found in a lavatory at Hanlan's Point.

The Health Inspector of the Island testified that he found the body in the lavatory in the rear of Miss Hanlan's restaurant, early Tuesday morning. He examined the place the previous morning and the body was not these then.

Dr. J. A. Creasor, 432 Spadina-avenue, who made the post-mortem, said the infant had been well nourished. The clothing on the child had been sewed on after death. The child had not been dead long before it was found. Death had occurred suddenly, but the child had not been strangled nor smothered. The child was dead before it was deposited in the lavatory. There was nothing to show that the infant met its death by foul play. An adjournment was made until Wednesday evening next.

ROBBED WHILE ABSENT.

Articles Stolen From Houses While People Were Away for Holidays.

Some of the families returning to the city from a summer vacation have been surprised and annoyed to find that during their absence thieves have visited their houses in town and made away with easily portable articles. In most cases the marauders had gained access by forcing a back window. The robberies have been reported to the detectives, who yesterday made what they consider two important arrests.

Louis McCurdy, a youth, who is not yet 21 years of age, and lives at 128½ Morse-street, was taken in by Detective Cuddy yesterday afternoon and locked up in No. 1 Police Station. Detective Duncan arrested James Clarke at 11 Trinity-place. Clarke is the young man who was tangled up in the Martin murder case. He was one of the associates of Patrick Clarke Terry and Matthew Fraser, who, with him, were arrested in connection with the Martin murder, but who were discharged owing to insufficient evidence. Clarke has a bad reputation, notwithstanding his youth, and has had to answer charges of housebreaking before.

The specific charge against the two prisoners is that they broke into the house of George Kay, 51 Grant-street, on Aug. 10, in broad daylight, and stole a pair of opera glasses, two brooches, a razor and other articles. Some of the stolen property has been recovered by the detectives.

LABOR DAY PROCESSION.

Arrangements Made So That There Will be No Doubling Up.

The extreme length of last year's Labor Day procession caused it to occasionally happen that the head and tail ends would meet and have to double up. At last night's meeting of the Labor Day Committee it was decided, on motion of Grand Marshal Armstrong, to so alter the route of the procession as to avoid this. The line of march will be as follows: Down Yonge to Shuter, along Shuter to Jarvis, down Jarvis to King, to Yonge-street, north to Queen, west to Spadina, down to King, east to Bay-st., and thence down to Front. The different representatives then drew for the positions of their respective unions in the procession. A meeting between the grand marshal and submarshals will be held next week to further arrange these particulars. Preparations for the bicycle meet now completed indicate one of the most successful events of the kind held here this year.

No Hope for Senator Ferguson.

Senator Ferguson's condition has made no favorable change and Dr. Sylvester said to The World man last night that there was no room for hope of his recovery. It is now only a question of time, and the end must come soon. The patient was resting quietly at midnight.
