## NEED OF WAR AND HOW TO FILL IT Statement That King Edward Wrot

Sir Redvers Before His Sensational Speech.

London, Oct. 18 .- (New York Sur Cable.)-General Sir Redvers Buller's amazing harangue on Thursday to the officers of his old regiment is regarded by the friends of Secretary of War Brodrick as black ingratitude to the War Minister, who submitted to enormous pressure and ratified the appointment of the old leader of the British

in Natal to the command of the First Army Corps. It is over a year since Prime Minister Salisbury declared on a public platform speech the other day. that soldiers should not indulge in public

talk. When it appeared that Gen. Buller's appointment would provoke dangerous agi-

fitter than himself to command the First Army Corps.

Has Some With Him Altho the newspapers and the educated public are now practically unanimous in the opinion that Gen. Buller's soldierly

qualities certainly are not those of a leader, he has undoubtedly got King Edward and the noisier section of the crowd with him. Despite his heliogram telling Gen. White at Ladysmith and his 12,000 men that he could not relieve them for a long time after his defeat at Colenso on De 15, and his suggestion that they should. therefore, destroy their stores and make the money. The deed was done when the railway men were away, and evidently the best possible terms of surrender, his bulldog fighter. Gen: Buller says now that he had seen it in writing somewhere that the stores of the Ladysmith garrison

could last only till the end of 1899, and that he sent the surrender message out of regard for Gen. White, whom he could not relieve before the New Year. Gen

ler's defeat at Colenso accurred on Dec. 15. As a matter of fact the Ladysmith garrison had over four months' supp when the place was first invested and were not starving when the Boers abaa-doned the slege at the end of February.

ing, by the Rev. Canon Cayley, assisted by the Rev. Archdeacon Dixon, in St. George's Church, Susannah Margaret, Rank Bad Luck. Some of Gen. Buller's friends reasonably suggest that after the ordeal and exhaus-tion of the Colenso disaster his nervous daughter of Charles H. Murdoch, to few scattered showers, but Harold W. A. Dixon. condition was responsible for the helio grams he sent to Ladysmith. But Buller himself does not accept this now. 'He BOSWELL-At Sherbrooke, Que., on Saturday, 12th October. Gertrude says of the Colenso defeat that it was "rank bad luck," while his heliogram was prompted solely by consideration for the gallant Sir George White. Osler, wife of J. E. in the United Kingdom. We are not a nation of ranchmen and stock riders, but traders. If the government desires to raise a large force of efficient rough riders in the United Kingdom they must be manufactured from the class of men who now join the mounted branches of the service." It is significant that the War Office various visitors from the coun thinks that the question of raising such the a force in the colonies is infinitely more difficult than at home, for personal and has been very great.
