OTTAWA, Feb. 17.—The Ratiway commission has decided not to grant an application made some time ago on behalf of the Wallaceburg Sugar Comany for an averaging of demurrage n freight cars.

The time allowed for the unloading f a car without payment of demurr-ge is forty-eight hours after arrival. The application asked that where a car was unloaded in less than fortyeight hours, the time margin should be recorded to the credit of the firm as an offset against excess time taken inloading other cars. The board refused the application the ground that it would work an
