BELTING! BELTING!!

**Goodhue's Leather Belting, Para Rubber Belting, Hercules Lace
Leather, Hercules Gut Laces, Buffalo Patent Belt Fasteners.**

WE HAVE A FULL LINE of above goods in Stock. The Belting is well known in this section, but the Lacing and Fasteners have not been sold so extensively. We are confident that a trial of Hercules Lacing will convince anyone of its superiority over any other. The Buffalo Fasteners are well spoken of wherever used.
