**DOMESTIC TROUBLE**  
A Brussels street wife appeared in the police court this morning to prefer a charge of assault against her husband, which she said took place at eleven o'clock last night. She added that she had two sons in the army and that the father was always quarrelling with the third at home. She remarked that she thought her husband ought to be examined by a doctor, as he "seemed to get fits of temper." This was ordered by the magistrate and the case adjourned until tomorrow morning.

**BIRTHDAY GIFTS**  
Officers and members of Dominion Lodge No. 18, L. O. B. A., assembled on Monday evening at the home of Mrs. C. A. Sweet, Lancaster avenue, Fairville, to celebrate Mrs. Sweet's birthday. On behalf of the lodge, the worthy mistress Mrs. L. Brown, made the presentation of a sweater coat and kimono. Mrs. Sweet replied, thanking the members. The balance of the evening was spent pleasantly with music and recitations, after which refreshments were served and the singing of the national anthem brought the evening to a close.

She is survived by five sons, George, Andrew and Herbert, in the west; Stanley, of Quebec, and Frederick, of Harvey Station, and two step-daughters, Mrs. James Moore of St. John and Mrs. H. **OPERATION ON LOUIS LELACHEUR ONE OF WONDERS OF SURGERY**  
Mrs. Lelacheur, of Mecklenburg street, has received a letter from her son, Louis, who went overseas with the Canadian contingent, was wounded in France and is now in England. He was operated on by Dr. Taylor, a London specialist, in the Cambridge Military Hospital, Aldershot, on September 1. The lad had been seriously wounded in the leg, but the surgeon had been able to join the nerve, which was much stretched, and now hopes for a good recovery. A letter came from the Red Cross as well as the soldier's. The operation performed in the case is regarded as one of the wonders of surgery. The nerve was so badly torn that it had to be cut, stretched and reunited. St. John doctors, who knew the conditions, have been awaiting the outcome with much interest because of the extraordinary operation.

**ASSAULT ON A POYAS IS TOLD OF IN COURT**  
Samuel Cohen was charged in the police court this morning with aggravated assault upon Abraham Poyas, Mill street jeweler, at the Synagogue, Hazen Avenue, on last Sunday evening. A meeting was being held there to organize a Hebrew school for religious purposes, when Mr. Poyas was chairman. The defendant, who was not one of the Hazen-Avenue congregation, it is said, interfered and called Mr. Poyas a "paid dog" and used other insulting terms in Jewish. He persisted, and after several times being told to be quiet, or to go out, Poyas called H. B. Young was called to eject him. Just as the policeman arrived, the lights, which had been put out, were turned on again, and it is charged that the defendant struck Mr. Poyas in the face, blackening one eye and making the other bleed. There was much confusion, and Cohen was thereupon arrested.  
Mr. Poyas said that Cohen had disturbed the Jewish congregation before that occasion, when he had been one of the congregation, and had also then been ejected.  
Corroborative evidence was given by Bernard L. Andur, who said that when Mr. Poyas went out to telephone for the police, he ordered the janitor to put the lights out, and when Mr. Poyas came back the meeting re-assembled just as the policeman arrived.  
The hearing was adjourned until tomorrow morning at 9.30. G. H. V. Belva appeared for complainant.

**Y.M.C.A. CALL FOR HOME PARCELS FOR THE LADS AT THE FRONT**

Well Looked After, Writes Captain Hill, But Many Things Additional Are Needed

In a letter, Captain R. H. Hill, Y. M. C. A. representative with the 26th Battalion, tells of some of the needs of the men and suggests that friends at home might help them out by sending parcels. Those who wish to make sure that their gifts will reach the 26th may send them to him, direct, addressing them as follows: Captain R. H. Hill, 26th Battalion, West Palace Hotel, London, England, and they will be forwarded to him free of charge. If preferred they may be sent from St. John through the Soldiers' Comfort Association—Paris of his letter follows:

"I received a number of parcels of magazines and I wish I could tell you how much these things are needed and appreciated. One of our men was over from France a short time ago and he said that reading matter is very much needed, especially in the trenches. He said the boys just beg for something to read.

"Do you think the people at home would do to nothing when a little of their time and money would mean so much to these boys. I wish I could go through Canada and tell them of the needs and make them see them as they are.

"Don't misunderstand me and think that the boys are not well and happy, for that is not the case, and don't think that they are not well taken care of by the government, for they are, but there are lots of other things that must be thought of. I know that if the people of St. John and other places could see the boys here they would help even more to give the boys the things they need.

"We have a tent ninety feet long and it is packed most of the time, with the boys writing letters home. A great many of them say 'What would we do without the Y. M. C. A.?' Just to see what they think I remarked that they would simply have to do without it. They replied that, in that case, there would be nearly so many letters written home, and I tell you that that would be the case.

"We had some very fine concerts here in my tent since we came over and the men say that many of them could not be enjoyed elsewhere for less than a couple of dollars. At our last concert we had with us, and she sang four songs, Lady Maude Warrington. She is a sister of the Earl of Shaftesbury and her husband is in command of the second northern fleet, sent in command to Jellico.

"I wish you would send me all the socks, cigarettes, chewing gum and candy you can get for the boys, for they will be needed very much in the trenches this winter. We have had all our advance work for the front and know just what is needed and when to get it out."

**ROBERT J. McEACHERN DEAD**  
Young Man Whose Life Gave Much of Pleasure

Numerous friends throughout the city will regret to learn of the death of Robert J. McEachern, which occurred this morning at his parents' residence in Thorne avenue, after a lengthy illness. For some time previous to his illness he was in the service of the L. C. R. He was an active member of the Tabernacle church, and was interested in all its various endeavors. For many years he had been connected with the L. O. G. T. and was for some time chief temple of St. John District Lodge. He was also a member of Vernon Lodge, L. O. L. Mr. McEachern, who was twenty-three years of age, was popular with a large circle of friends. Though he had been ill for several months, his death was not expected when it came. He had gone out of the city to drier climates seeking to improve, but to no avail. His parents, Mr. and Mrs. John McEachern, survive with four brothers, Archie and John of Boston, Donald of Presque Isle, and Henry of this city, his twin brother, and one sister, Mrs. E. N. Stockford. Rev. J. D. Wetmore, of Chance Harbor, former pastor of Tabernacle church, came to the city yesterday to see the young man, and was with him when he died. Mr. McEachern's family will have the sympathy of many friends in their bereavement. The funeral will be held on Thursday afternoon at 2.30 o'clock.

**FAIRVILLE NEWS**  
Indications point to rather an interesting contest in the councillors' election for Lancaster Parish about the middle of October.  
It is said that all three of the present councillors—Messrs. Bryant, Golding and O'Brien—will again offer for re-election, and also form one ticket. Some time ago a prominent West End merchant was mentioned as one of the three, but evidently he has retired from the race in favor of Connelley Boyant, who has already served several terms.  
As to the opposition, it is said that three men are considering the matter, but no definite slate has been finally decided upon as yet. A Fairville merchant is among the possibilities, as well as a resident of Lancaster Heights and Beaconsfield. Judging from the interest shown there will be a ticket announced in plenty of time to clear decks for a real conflict.  
Many friends extend sympathy to Mr. and Mrs. Thomas Mitchell in the death of their infant daughter, Marjorie Patricia, which occurred this morning about one o'clock. For several days it seemed as though the little one was recovering, but fond hopes were not to be realized.
