DO THEY DO THIS?
Not in ninety-nine cases out of

goods can be bought from any re-

charge.

BASEBALL
Braves May Lose Evers
President James E. Gaffney of the
Braves, is much worried over the con-
dition of Captain Johnny Evers and his
ability to be able to start the coming
season with the world's champions. Be-
cause of the report that Evers may not
recover from the sickness which laid him
low in New York in last December, in
time to renew the battle of 1915, the
Braves' owner is taking every precaution
to strengthen his team.

Just now Evers is at a camp trying
to build up an attack of pneumonia hav-
ing left him weak. It is believed that
Gaffney was instrumental in keeping
Whitfield from joining the Philadelphia
club. Whitfield, having played second base
last year when Evers was out, undoubt-
edly will be the guardian until Evers
gets back into the game. Gaffney, who
gave Evers such a large bonus and sal-
ary last year for signing with the
Braves, is very much upset for he fig-
ures that the winning of the world's
championship was due, next to Stallings,
to the untiring efforts of Evers.

American League Season

The American league will open its
1915 campaign on Wednesday, April
14, with Chicago at St. Louis, Cleveland
at Detroit, New York at Washington
and Boston at Philadelphia. The chart
provides for 154 games by each club as
usual, and the season will end on Oct.
7, with Boston at New York, though the
other teams will have closed before that
date.

Since May 30 and July 4, will fall
this year on Sunday, the holiday double-
headers are appointed for the following
Mondays: On May 31, St. Louis plays
at Cleveland, Detroit at Chicago, New
York at Washington, and Boston at
Philadelphia. The July 5 double-headers
find Chicago at St. Louis, Cleveland at
Detroit, Philadelphia at New York and
Washington at Boston. The Labor day
games are Cleveland at Chicago, St.
Louis at Detroit, Washington at Phila-
delphia and New York at Boston. St.
Louis gets the June 17 holiday at Bos-
ton.

As was the case last year, the con-
flicts have been reduced to four, so far
as the National league is concerned, and
again they are all in Chicago on Sun-
days. Chicago leads in Sundays at home
with fourteen, and is tied with the four
eastern clubs with thirteen Saturdays at
home.

The National Commission.
Cincinnati, Feb. 7.—August Herrmann
and John E. Bruce, chairman and sec-
retary, respectively, of the National
Baseball Commission, were re-elected at
the annual meeting of that body here
last night, after voting earlier in the day
not to re-organize until after a decision
of the Federal League's injunction suit
in Chicago had been rendered.

RING
Ring Notes
Mike (Twin) Sullivan says he is most
sincere in his desire to meet Mike Gib-
bons. "Give me a match with Gibbons
and you will see a real fight," declared
the former welterweight title aspirant in
a letter to one of the New Orleans pro-
motors.

Tomorrow night in New York, Fred-
die Welsh and Joe Shugrue will take an-
other whirl in a 10-round bout in Mad-
ison Square Garden.

Charley White is well enough to be
looking for a match as quickly as one
can be arranged for him. Some day the
real inside trouble of that called
Welsh meeting will be known.

Willie Ritchie is probably on his way
to New York from Los Angeles.

Eddie Murphy is reported matched
with Jack Britton in New Orleans on
Feb. 10. Battling Levinsky will meet
Kid Kenneth at the same place tonight.

Tommy Burns has Frankie Burns of
New Orleans bantam-weight, matched in
a 20-round bout for Feb. 18.
