BORDER TEAM WINS EASILY FROM GREEKS

The Marathons lost to the St. Croix team on the local grounds on Saturday, 6 to 1, the locals being unable to get a safe hit during the whole nine innings.

Conley started on the mound for St. Croix, but was replaced by Lee in the fourth on account of a sore arm. Both pitchers had the Greeks at their mercy, only five of them reaching first during the whole contest and but two of these got as far as second, one of them scoring the lone run.

Woodbury pitched fairly good ball for the Marathons, but he had rather ragged support, which went a long way towards making the game so uneven. He was very effective at critical times and pulled his team out of several bad holes.

The score was as follows:

Two Australian Heavy Weights to Try The Comeback Route

By TOM ANDREWS

Two well-known Australian heavy-weights are making an effort to come back—Bill Squires, who was dubbed the "quince" when he came over here to meet Tommy Burns for the championship, and Bill Lang, another aspirant, who wanted to annex the heavy-weight title.

In 1910, when a battle of any account was in the offing, Squires' lazie met Bill Lang in Melbourne and was put out in the final round of a 20-round battle. That took the fight out of Bill for a time and he went to live on his station, or farm, in New South Wales.

When Billy Papke and the American boxers were over there in 1910, an effort was made to match Squires with Papke for the light-heavy-weight title of that country, but Bill would not re-enter the ring, claiming that he could not get into condition. The fact was that he wanted a nice chunk of money for the chance against Papke, but when the Stadium offered to make good, he backed water. Lang was also out of the running at that time, having hurt his hand, but last year he took another chance after having been knocked out by Sam McVey and fought a 30-round battle with the changeable Jim Barry. Bill lost the decision.

While all the heavies were in Australia the past winter getting the money, Squires was taking life easy on his farm and Lang was busy training other fighters for matches. Now they have both signed up for two games on the Stadium management in Sydney and it is expected that they will be sent against the English heavy-weights and also some from America who are expected to sail later on.

If the two Australian Bills can work the comeback, then there is hope for some of the Americans who have appeared passe. Squires is into his thirty-fourth year of his reign, while Lang has touched the 30 mark, so it is plain they are not young roosters. Here is a chance for Peter Maher, Peter Courtney, Jim McCormick, Steve O'Donnell and a few others of the last decade to set sail for kangaroo-land and grab off a few matches with the comeback-kings.

And it might be well for Kid McCoy to make a trip to the Antipodes and tackle the entire bunch, for it is dollars to doughnuts that the kid, with his 40 years hanging on his shoulders, would walk through the lot without trouble, against Jim Jeffries in the lot as Jim has given the lie to the statement that he intended to make another attempt to come back.

Two games tomorrow with Bangor. Let us hope for better results. Followers of the game were glad to see Joe Tarbell on the coaching line Saturday. They will see him in action in tomorrow morning's game.

The border boys are too fast for us as things stand now. Woodbury seemed to delight in pulling in a lot of hard places. We want more ginger. Better have it at once.

A St. Croix hunt along the first base line is fielded by Watt. He turns to throw but there is no St. John man there. The same thing happens again in the same inning. That is not base-ball. The errors were costly ones and two or three chances to catch runners off bases were lost by the locals.

We were outplayed. Manager Doyle's boys have yet to suffer defeat and Bangor has not won a game. Fredrickton is now nicely placed in second position.

Frank Harrington pitched and won another game for the Lynn club in the New England League on Thursday. The game went six innings, Lynn beat Brockton 2 to 1. Three hits were made off Harrington. Hannah Hoyt, who played first for Brockton did not get one of the three. Joe Neptune, who played short, had one of Lynn's eight hits off Briggs.

Fredrickton Takes Two At Bangor, Fredrickton got away with two games on the Bangor Maroons on Saturday. The first ended 10 to 5 and the second, a ten inning contest, finished 8 to 1.

In the first game, Mahoney, Bangor's twirler, had the game well in hand until the sixth when he blew up and the Pets scored four runs and they followed this up by making four more runs in the next three innings. Bangor scored three runs in the first, but after that session the Pets tightened up and allowed them only two more runs, one in the fourth and one in the ninth.

The second game was a pitcher's battle, one run being scored by Bangor in the third inning. Fredrickton tied the score in the ninth and two runs in the tenth gave them the lead, and the Maroons were unable to get another tally. The scores were:

BRITAIN AND AMERICA RENEW PEACE TREATY

Washington, May 31—Secretary Bryan and Sir Cecil Spring-Rice, the British ambassador, late today signed a renewal for five years of the general arbitration treaty between the United States and Great Britain, which will expire by limitation on June 4.

The treaty provides for the arbitration by the Hague court of any differences of a nature not affecting "the vital interests, the independence, or the honor of the two contracting states," and which do not concern interests of third parties.

A form of special agreement, covering the subjects to be arbitrated, subject to the senate's approval, is prescribed. In 1911 some 3,600 persons were killed in United States mines and quarries.
